Re: Title III Accountability Annual Measureable Achievement Objectives (AMAO) Parent Notification Letter

Dear Parent or Guardian of:

Student Name: _____
Student ID #: _____
Address: _____

School: _____

Sacramento City Unified School District receives Title III funding from the federal government to help English learners to speak, read and write in English and to achieve in reading and mathematics. School districts and other agencies that receive Title III funds are reviewed each year, as required under the No Child Left Behind (NCLB) Act of 2001, to see if they meet the three Annual Measurable Achievement Objectives (AMAOs) for their English learners in the following areas:

- Progress in learning English, AMAO 1
- Progress in the percentage of students who become proficient in English, AMAO 2
- Academic targets in English-language arts and mathematics, AMAO 3

For the 2010-11 school year, Sacramento City Unified School District did not meet one of these targets. The district successfully met the AMAO 1 and 2 targets, but fell short of meeting the AMAO 3 target. The district is continuing its effort to enhance programs and support to ensure its English learners will meet all targets next year. If you would like more information about how your child is performing on these targets, contact your child's teacher or school.

Please contact the Multilingual Literacy Department for more information on the educational program to help English learners become English proficient and meet academic goals.

Sincerely,

Lee Yang, Director
