Board Comment:

Vice President Murawski agrees, time to unmute children, bring them back. Time to move on, hurting our children. Idea of restorative restart. Idea of bringing back school student clubs? Member Phillips seems to be grouping of ideas regarding science. Learning loss occurred before pandemic. Need to make clear to parents, talking about collapsing cohorts means 4 days, 3 hours a day. Not going to benefit all students. Wants clear language on what is being voted on. Member Garcia wants a clear understanding what is before us. Which sites are we talking about?

Mr. Aguilar responds, began process of combining student attendance data of students who have returned. Working with site administration to verify data. Primarily elementary schools. Member Garcia continues, thanks community, parents, grandparents, teachers. Wishes it could have happened sooner. Supports moving forward. Student Member Sheikh thanks students. Wants more info on analysis. What steps need to be taken?

Member Villa visited a few sites last week. Everyone is in agreement to return. Makes motion to approve.

Member Rhodes resources on how we implement on site level. What is needed? What insurances that give supports needed.
