Today's Argonaut Park Opening Cancelled

Wet, Muddy Conditions Force Rescheduling of Event

March 14, 2011 (Sacramento) –Today's event to officially open the newly upgraded Argonaut Park is cancelled due to muddy conditions triggered by rain. A date for a rescheduled event will be announced once it is determined.

Sacramento City Unified School District, the City of Sacramento, Freeport Renovation on the Move and Kaiser Permanente partnered to furnish the park -- located at the Evelyn Moore Community Center adjacent to Sacramento New Technology High School -- with state-of-the-art Energi Fitness Course Stations for use by New Tech students and the entire community.
