## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

“Leonardo da Vinci K-8 School is a community dedicated to the development of the whole child as a literate, curious, and inventive person, responsible for the preserving and creating beauty in our cultural and natural environments. We will foster this Renaissance child of the Arts and Sciences through Integrated Thematic Instruction.”

Leonardo da Vinci K-8 School has rigorous gate level curriculum that extends the Common Core Standards. We teach the standards through the use of board adopted texts, thematic instruction (Highly Effective Teaching formerly called Integrated Thematic Instruction), and projects. In addition, we intertwine the following into each thematic unit: field trips, large end-of-unit projects, research projects at every grade level, science instruction, social science curriculum that connects to the English Language Arts Program, and math that is conceptual and functional. We are dedicated to visual and performing arts and the arts integrated into our units of study. Students participate in site and district tests and assessments.

Program highlights: We are a Parent Participation school. We have monthly evening teacher/parent meetings so that parents have an understanding of the upcoming curriculum, projects, field trips, and volunteer opportunities. We offer a range of programs that extend our school mission of educating the Renaissance child: Mathletes, GATE level curriculum K-6, Honors/GATE math and ELA classes 7-8, After-school GATE Program, 4th-8th Grade Band and Orchestra, Drama Enrichment Class, Student Government, K-6 Art Lab, K-6 Art Links Program, 7-8 Art Lab and Visual Art Elective, K-8 Science Lab, Morning Sing K-3, Art Rotation 1-3, 8-9 Field Trips, per year (every grade level), Competitive Athletic Program, Organic Garden, Library, Computer Labs, Culturally Inclusive Assembly Program, Young Author's Competition, and Science Fair. Our students of the Renaissance participate in regional and local academic competitions: MESA, History Day, Speech and Debate, Mathletes, Nature Bowl and Quizball. We encourage our students and families to be active with round rounded activities to develop every aspect of their child's growth and development.

There are several family and community nights: two annual science nights, Winter Fair, Harvest Hoedown, Renaissance Fair, Daughters of daVinci Dance, and Mother-Son Sock Hop. LdV Hosts High School Prep Event, Middle School High Summer Preparation event Dolphinpalooza, and District Athletic Events.

## 2022-23 School Overview

Parents of students at Leonardo da Vinci are encouraged to contribute 40 hours a year of volunteer time to the educational program. Parent participation allows teachers to offer centers, workshops and small group instruction for both academic and enrichment exercises. We have several active parent leadership groups: PTC, ELAC, and SSC. Additionally, we have several parent sub committees: arts, culturally inclusive education, arts committee, science committee, historian and yearbook committee. We have several parent leadership roles, per classroom that include: class manager, field trip coordinator, garden chair, art links, treasurer and library.

We are dedicated to our mission and vision.

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district has crafted a high quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Mathematics, Science, Physical Education and Visual and Performing Arts. Since the onset of Distance Learning in the Spring of 2020, we have provided all teachers and administrators with professional learning on Universal Design for Learning, and the professional learning we have made available is geared to distance learning. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

## School Facility Conditions and Planned Improvements

Leonardo da Vinci K-8 School, built in 1950, received Facility Inspection Tool (FIT) overall repair rating score of “good” from its most recent facility inspection in June 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district’s 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district’s wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	65	N/A	38	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	50	N/A	27	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

2020, will mark the 33 years of Leonardo da Vinci School. A California Distinguished School in 2008. A California Honorable Mention School for Civic Learning in 2017-2018. A Core School of Improvement in 2018-19. Thirty years ago, Leonardo da Vinci School was founded as an Integrated Thematic Instruction. Parent participation was considered an integral part of the school and this goal has continued. We encourage 40 hours of parent participation each year.

Parents participate in all the SCUSD clearances to be able to help volunteer in the classrooms and to drive on field trips. Parental involvement is an integral part of our school. Parents working in the classroom enable students to work in small groups and receive more individual attention.

The parent participation allows for many opportunities for student success. Parents support students with one-on-one help. Parents make it possible for teachers to bring more art and science projects into their classrooms. Parent drivers and chaperones make it possible for the children to experience many field trips to broaden their classroom learning. Parents

Parent involvement has brought many special programs to the school: On-Stage Acting Program, Solar Regatta Boat Making and Middle School Solar Regatta Competition, Grade Level Thematic Days, School Theme Days, Art Links, to name a few. Parent generated events such as our Renaissance Faire bring history alive and make learning relevant.

Parents at LdV are involved in many decision-making committees: PTC, SSC, and ELAC. Parents lead our Parent Teacher Council and several sub committees (garden, culturally inclusive committee, ways and means, garden facility, newsletter, climate, athletics, and membership).

English Language Learner Parents may attend Parent Leadership classes led by SCUSD to gain parent tips, parent leadership information, English classes, job readiness, and GED information. We support an annual celebration at SCUSD to honor our EL Parent Leaders.

One weekend a month parents gather at the school to work on large projects, improving the grounds and working in the gardens.

## 2022-23 Opportunities for Parental Involvement

School support staff members help to calculate parent volunteer hours, creates and publishes a weekly newsletter, and posts parent volunteer opportunities.

Teachers lead a monthly parent meeting in which parents find out about the upcoming curriculum and standards for the month, special projects which need parent support, and volunteer opportunities (field trips, class workshops, class centers, class art projects).

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

## 2021-22 Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Leonardo da Vinci K-8 School and district supplemental programs and services include:

- 
- Tutoring
- Supplemental instructional materials and books
- Extended Day/Year/ Summer school
- Enrichment programs
- Access to technology
- Parent Education/Family Nights
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Gifted and Talented Education (GATE)
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, and parent advisor
- Supplemental Education Services

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

## Professional Development

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district strives to provide staff with professional learning opportunities that focus on ensuring that all students have access to culturally responsive high-quality instruction and supports through Universal Design for Learning and anti-bias/anti-racist practices in a robust multi-tiered system of support. District experts also provide professional learning specifically focused on Literacy, English Learners, Mathematics, Science, the Visual and Performing Arts and Social-Emotional Learning. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

This table displays the number of school days dedicated to staff development and continuous improvement.
