DELAC Meeting 10-25-16 Needs Assessments

Communication Support

More communication and interpretation between teachers and students and parents

Good communication between parents and teachers

School Staff Support

More helpful school office administration

Kinder assistance

On phone translation support

Better scheduling to accommodate parent meetings

Technology Support

Infinite Campus / Computer Trainings (attendance, grades, teacher communication, behavior, etc..)

Access for EL families on the new Data Dashboard and how to use it

Technology info on using systems: IC, Clever, etc.

After School Support

More afterschool programs

Tutoring after school by credential teachers

More academic support in afterschool program in multiple languages - more support for 1-8 grades to help parents help their kids

Additional Personnel Support

Permanent teachers

Counselors who speak multiple languages - after + during school

We need district-paid personnel to come to each site to administer the CELDT test within the first 4 weeks of school

Tutors in Arabic, Pashto - translators

More nurses , psychologists

More bilingual staff

In Class Support

More interventions (Math, Science, Writing)

Support-in-class as apposed to pull out

Common Core Standards per grade level

Writing + grammar support - workshops

More ELD in classes in school. Not enough support for EL classes

Miscellaneous Support

Safer loading and unloading zones for picking up and dropping off

Healthier lunch options

Smart boards

Field trips to community centers

Home visits instead of at school conferences

Parent leadership within DELAC (absentism, tardiness > attendance)

*Site Council overruled ELAC by cancelling parent advisor eliminating assistance in favor of laptops for All Students.

Communication of EL Parents is ignored or overlooked

Presentation on SEL district-wise initiative for parents

Information on how schools are implementing SEL and strategies/recommendations on how parents can support SEL learning at home

We need more regular district provided professional development for teachers to support EL Students achievement (ie strategies)

More financial aid

More security (cross guards, police)
