**RE: Notice of Intent to Award Design Build Contract
Ethel I. Baker Elementary School Construction Project
RFP #0108-461**

On or before **May 9, 2025**, the Sacramento City Unified School District ("District") received proposals for the **Ethel I. Baker Elementary School Construction** ("Project") in response to Request for Proposals **#0108-461** ("RFP") from the following entities:

Balfour Beatty + Clark & Sullivan Construction, a joint venture
Otto Construction
Roebbelen Contracting

All respondents were prequalified, as required. The District evaluated the proposals to determine whether they met the format and content requirements of the RFP, and found all proposals to be responsive to all requirements of the RFP.

The District's review and selection committee evaluated the qualifications/technical responses in the responsive proposals in accordance with the evaluation and selection criteria stated in the RFP, and selected **Balfour Beatty + Clark & Sullivan Construction, a joint venture, Otto Construction, and Roebbelen Contracting** to participate in interviews as the most qualified respondents. Following interviews, technical scores were revised as provided in the RFP. After completing the technical scoring, the District opened the cost proposals, and calculated the best value proposal in accordance with the evaluation and selection criteria stated in the RFP. The respondents were ranked as follows, from highest to lowest value score:

<u>Proposer</u>	<u>Final Score</u>
Otto Construction	130.3
Balfour Beatty/Clark & Sullivan Construction, JV	109.9
Roebbelen Contracting	77.5

The District hereby provides Notice of Intent to Award the contract for the Project to **John F. Otto dba Otto Construction** as the respondent offering the best value to the District in accordance with the evaluation and selection criteria stated in the RFP. The District intends to request that the District Board of Education consider and act on the recommended award at an upcoming Board meeting on **June 5, 2025**. No contract exists with any respondents prior to Board approval.

The selected respondent should be prepared to provide all information identified in the RFP as necessary for the District to present its recommendation to the Board as expeditiously as possible. Should the selected respondent unreasonably delay in

providing such information, the District may, in its sole discretion, withdraw this Notice of Intent to Award and re-issue it in favor of the next highest scored respondent.

Sincerely,

Tina Alvarez-Bevens
Contract Analyst
