**Project No: 0262-461-1**  
**Nicholas New Furniture Package**  
**ADDENDUM NO. 2**

**Question #2:** D4 - Do you want the modesty and Shroud included in the pricing or just have it be an available option? If you want it included, what type of material do you want the modesty and approx. size? What kind of Shroud? Just the legs or the entire front of the desk?

**Response:** Modesty panel and shroud to be included in the pricing. Material to match desktop. Modesty panel to be 12”H, width to be determined based on leg spacing. Shroud to wrap legs.

**Question #3:** Can our company be added to the Bidder’s List

**Response:** There was no mandatory pre-bid conference for this project, and there is no “Bidder’s List” for this project. All Bid documents are available on the District’s Website:

<https://www.scusd.edu/construction-projects-bids>

**Question #4** Can you please confirm that a contractor can bid this project, order the material, and install the furniture?

**Response:** The Accepted Low Bidder will be expected to order and install the furniture.

**Question #5** Is DVBE required?

**Response:** No

**Question #6** Does the contractor have to be prequalified to bid in this project?

**Response:** No pre-qualification is necessary on this project.

**Question #7** Do we need to prequalify if it’s under \$1,000,000.

**Response:** No pre-qualification is necessary on this project.

**Question #8** What percent of the furniture can be alternates or substitutes?

**Response:** Per Attachment D, Special Provisions, Section 03 – Substitutions, Item #6: “The Vendor must provide at least Fifty-One Percent (51%) of Total Cost, excluding the Owner Allowance, of furniture specified in Attachment A Proposal Form Furniture Quantities, or the Vendor’s Furniture Bid will be deemed unresponsive.” By virtue of that statement, Forty-Nine Percent (49%) of total cost excluding the Owner Allowance can be approved substitutes found in Attachment G – Approved Substitution List.

**Question #9** Do we have to be added to a bidders list?

**Response:** There is no Bidder’s List for this project.

**Question #10** Is this only for vendors or can a contractor bid this project?

**Response:** This Project contains no requirement for specific license and is open to both Vendors and Contractors. The term “Vendor” is used in the contract language because a contractor’s license is not required, and as such, if awarded this project, a contractor will be providing and installing the furniture as a “Vendor”, not a “Contractor”.
