Standardized Testing and Reporting (STAR) Overview

- **California Standards Tests (CSTs)**
 - Assess students' achievement of California's academic content standards: English-language Arts (ELA), math, science, and history/social studies
 - Includes California Writing Standards Test for Grades 4 & 7
- **California Modified Assessment (CMA)**
 - Allow students' who have an individualized education program (IEP); are receiving grade levels-instruction; and whose disabilities preclude them from achieving grade-level proficiency on an assessment of the CSTs with or without accommodations to demonstrate their achievement of the content standards in ELA, math, and science
 - Includes California Modified Writing Standards Test for Grades 4 & 7
- **California Alternate Performance Assessment (CAPA)**
 - An individually administered performance assessment designed for students with significant cognitive disabilities who are unable to take either the CST even with accommodations/modifications or the CMA with accommodations
- **Standards-based Tests in Spanish (STS)**
 - Designed for Spanish-speaking English Learners (ELs) in U.S. schools less than 12 cumulative months or Spanish-speaking ELs receiving primary language instruction

California High School Exit Exam (CAHSEE) Overview

- The purpose of CAHSEE is to improve student achievement in public high schools and ensure that students who graduate from public high schools can demonstrate competency in ELA and math.
- Results are used for high school accountability measures.

CA and Federal Accountability Systems

- Two systems that convert test results into different measures of academic performance
 - **Academic Performance Index (API)** looks at growth in school performance across multiple subject areas
 - Created by the Public Schools Accountability Act (PSAA) of 1999
 - Single number ranges from 200 – 1000
 - **Adequate Yearly Progress (AYP)** looks at the percentage of students proficient or above in ELA and math
 - Federal accountability requirement enacted by No Child Left Behind (NCLB) Act of 2001

Program Improvement (PI)

- Identifying Schools in PI
 - Only schools receiving Title I funding
 - Schools are identified after missing AYP for two consecutive years
 - In the same content area (ELA or mathematics) **OR**
 - On the same indicator (API)
- Exiting PI Status
 - In order to exit PI status a school must make AYP for two consecutive years
