Addendum No. 3**

**Part D - Developers Questions:**

**QUESTION # 1:** In Section VI, A of the RFQ/P, the District is requesting a separate sealed envelope for the fee proposal. However, under Tab 6 Section VI, C, 6(e), it's asking for the proposed costs for completing preconstruction services for the Project. Should we list the preconstruction costs in this Tab 6 section or reference that the fee for preconstruction services is included on the fee proposal form in the separate sealed envelope?

**RESPONSE #1:** Fee proposal is for Pre-Construction and % applied to GMP and should be in the sealed envelope. No fee's should be discussed in the proposal.

**QUESTION #2:** Under Tab 9 – Pricing and Contingency, this section illustrates the fee proposal breakdown and talks about the GMP. Is the District requesting any information to be included under Tab 9, or should we reference the fee proposal form in the separate sealed envelope and acknowledge the statements and process that's listed in this section?

**RESPONSE #2:** Fee proposal is for Pre-Construction services and % applied to GMP and should be in the sealed envelope. No fee's should be discussed in the proposal
