The District intends to execute Amendment No. 1 to the Facilities Lease for the above referenced Contract, and will go to the School District Board for approval on September 8, 2022.

Your construction completion date is **August 25, 2023**, in accordance with the Preliminary Conceptual Project Schedule completed during Preconstruction Services. The following documents must be provided to the District prior to the Districts execution of the Amendment:

- Facilities Lease Amendment No. 1 – Signed by Landmark Construction
- Performance Bond (100% GMP)
- Payment Bond (Contractor's Labor & Material Bond) (100% of GMP)
- Disabled Veterans Business Enterprise Participation Certification

In addition, your firm should have submitted Contract Award Information (DAS 140) forms to the appropriate Apprenticeship Committee for each craft to be employed on this Project pursuant to Title 8, Section 230 of the California Code of Regulations and California Labor Code section 1777.5(e). You should now submit updated DAS 140 forms, within 10 days of this Notice to Proceed but in no event later than the first day in which workers will be employed upon the public works jobsite, for any craft for which the information on the original forms has changed. Each new subcontractor must submit new DAS 140s within 10 days of their subcontract date, and before any work on that craft starts on the Project.

The first weekly meeting will occur on site on [TBD] at [TBD] a.m./p.m.
