The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

The Board recognizes that alternative dispute resolution (ADR) can, depending on the nature of the allegations, offer a process to reach a resolution to the complaint that is acceptable to all parties. ADR such as mediation may be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. The Superintendent or designee shall ensure that the use of ADR is consistent with state and federal laws and regulations.

The district shall protect all complainants from retaliation. In investigating complaints, the confidentiality of the parties involved shall be protected as required by law. As appropriate for any complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the Superintendent or designee shall keep confidential the identity of the complainant and/or the subject of the complaint if he/she is different from the complainant, as long as the integrity of the complaint process is maintained.

(cf. 4119.23/4219.23/4319.23 - Unauthorized Release of Confidential/Privileged Information)

(cf. 5125 - Student Records)

(cf. 9011 - Disclosure of Confidential/Privileged Information)

When an allegation that is not subject to the UCP is included in a UCP complaint, the district shall refer the non-UCP allegation to the appropriate staff or agency and shall investigate and, if appropriate, resolve the UCP-related allegation(s) through the district's UCP.

The Superintendent or designee shall provide training to district staff to ensure awareness and

knowledge of current law and related requirements, including the steps and timelines specified in this policy and the accompanying administrative regulation.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

The Superintendent or designee shall maintain records of all UCP complaints and the investigations of those complaints in accordance with applicable law and district policy.

(cf. 3580 - District Records)

The following complaints shall not be subject to the district's UCP but shall be referred to the specified agency: (5 CCR 4611)
