**Recommendation:** Approve Operational Memorandum of Understanding and Special Education Memorandum of Understanding between Sacramento City Unified School District and Capitol Collegiate Academy.

**Background/Rationale:** The District approved the renewal of the charter for Capitol Collegiate Academy for a term of five years effective July 1, 2016 to June 30, 2021. By approving the renewal of the charter, the District assumed certain oversight responsibilities of the Charter School pursuant to the California Charter Schools Act (Cal. Ed. Code, § 47600 et seq.). To clarify the roles and responsibilities of the parties, the District enters into an Operational MOU and Special Education MOU with each charter school. The Operational MOU outlines responsibilities and expectations between the District and the Charter School regarding the oversight fee paid by the Charter School to the District, the parties' respective fiscal and administrative responsibilities, their legal relationship, and other matters of mutual interest not explicitly addressed or resolved in the terms of the Charter School's charter. The Special Education MOU sets forth the responsibilities of the parties with respect to the delivery and financing of special education services to students enrolled in the Charter School.

**Financial Considerations:** The financial considerations are outlined within the Operational Memorandum of Understanding and Special Education Memorandum of Understanding.

**OPERATIONAL MEMORANDUM OF UNDERSTANDING BETWEEN  
SACRAMENTO CITY UNIFIED SCHOOL DISTRICT  
AND  
Capitol Collegiate Academy**

This Operational Memorandum of Understanding (“Agreement”) is entered into as of June 16, 2016, by and between the Board of Trustees of the Sacramento City Unified School District (“District”) and the Capitol Collegiate, Inc., (“Non-Profit”), a California non-profit public benefit corporation, operating the Capitol Collegiate Academy (“Charter School”), a public charter school chartered by the District. The District, the Non-Profit and the Charter School are collectively referred to as the “Parties.” This Agreement shall be enforceable only following execution by both Parties and ratification or approval by the governing boards of each of the Parties.

**RECITALS:**

- A. The District is the granting agency of the Charter School. The District *initially* approved the charter on May 6, 2010 for a term of four years and extended the charter for one year on March 5, 2015. The District renewed the Charter School’s charter on November 19, 2015, for a term of five years, beginning on July 1, 2016 and expiring June 30, 2021. The Charter School is operated by the Non-Profit.
- B. By approving the charter petition, the District assumed certain oversight responsibilities of the Charter School pursuant to the California’s Charter Schools Act (Cal. Ed. Code, § 47600 *et seq.*). This Agreement is intended to outline the Parties’ agreements governing their respective fiscal and administrative responsibilities, their legal relationship, and other matters of mutual interest not otherwise addressed or resolved in the terms of the Charter School’s charter.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein set forth, the Non-Profit and the District do hereby agree as follows:

- 1. Use of Terms.** Unless otherwise stated, for the purposes of this Agreement, the terms Charter School and Non-Profit may be used interchangeably, with the duties and responsibilities of the Charter School and Non-Profit being the same under this Agreement.
- 2. Term and Renewal.** This Agreement shall commence on the date upon which it is executed by both Parties, but shall not be effective absent ratification or approval by the governing boards of each of the Parties. The Agreement shall cover the remaining term of the charter, expiring on June 30, 2021. If the Charter School’s charter is revoked or the Charter School ceases operations prior to the expiration of the term of the Agreement, the Agreement shall immediately terminate. The Agreement is also subject to termination in accordance with the processes as set forth in this Agreement or as otherwise permitted by law. Renewal or extension of the charter and this Agreement shall be based, in part, on compliance with the terms set forth in this Agreement, District policy, and applicable law.

**3. Designation of School.** The Charter School shall be known as Capitol Collegiate Academy. The Charter School may not change its name, nor operate under any other name, without the prior express written approval of the District. The Non-Profit shall be responsible for all functions of the Charter School pursuant to the terms and conditions set forth in this Agreement and its charter. The Charter School shall not be located at more than one school site without the prior express written approval of the District. The Charter School shall not change locations without the prior express written approval of the District. Any change of location shall be considered a material revision of the charter petition under Education Code sections 47605 and 47607 and shall not be denied unless there are sufficient findings per these statutes.

**4. School Accountability.**

(a) Annual LCAP. The Charter School shall comply with Education Code section 47606.5, as that statute may be amended from time to time, as well as its implementing regulations, if any. The Charter School's Local Control and Accountability Plan ("LCAP"), and annual updates thereto as required by law, shall be annually provided to the District by July 1, unless a different date is established by law. The Charter School will utilize the State Board of Education's template to submit its LCAP pursuant to this section. To the extent practicable, the Charter School shall report LCAP data in a manner consistent with how information is reported on a school accountability report card.

(b) Performance Report. The Charter School will provide an Annual Performance Report to the District upon the terms and deadlines specified in Appendix A (Annual Performance Report). Appendix A is incorporated to this Agreement by reference. From time to time, and as may be necessary in the District's sole discretion, the District reserves the right to revise the content requested in, and format of, the Annual Performance Report. The District will provide the Charter School with notice at least thirty (30) days prior to the implementation of changes to the Annual Performance Report.

(c) Corrective Action. The Charter School must comply with the terms and conditions specified in the Corrective Action Plan, attached to this Agreement as Appendix B and incorporated to this Agreement by reference.

**5. Funding.**

(a) Basic Funding. The Charter School shall receive its funding in accordance with applicable law. Should anything in this MOU require revision based upon changes in law or regulation, the Parties shall meet without delay to cooperatively revise the MOU to ensure consistency with the law. Any future revision of the Charter Schools Act to revise the manner in which charter schools are funded shall not be interpreted to prevent the Charter School's direct receipt of full funding in accordance with applicable law.

The Charter School is eligible for a general-purpose entitlement allocated through the Local Control Funding Formula ("LCFF") under Education Code sections 42388 *et seq.* Except as otherwise noted in this Agreement, it shall be the responsibility of the Charter School to apply for funding due to the Charter School under LCFF.

The Charter School has elected to receive funding from the State directly, pursuant to Education Code section 47651. The District shall comply with Education Code section 47635 in providing the Charter School with its share of local funding. However, the Parties understand that in the event that such funds are not timely received by the District due to processing delays at either the state or county level, such funds shall be provided to the Charter School as soon as practicable after such funds are made available to the District. The District recognizes the authority of the Charter School to pursue additional sources of funding. Any application for funding by the Charter School that depends on the support or creditworthiness of the District shall be presented to the District for its prior written approval.

(b) District Applications for Funding. When the District applies for additional sources of funding in the form of grants and/or categorical funding at the request of and for the benefit of the Charter School, the District will receive one percent (1%) of such funds at the time they are paid to the Charter School. Such funds shall not be considered revenue for purposes of the District's oversight fee set forth in section 8(b).

(c) Expenditure of Funds. The Charter School agrees to comply with all regulations related to expenditures and receipt of its funds (including compliance with federal and state compliance regulations and certifications). Without limitation to the foregoing, the Charter School agrees that all revenue received from the District and the State shall only be used as outlined herein and in the charter for the provision of educational services for school age children enrolled in and attending the Charter School and shall not be used for purposes other than those set forth in the Charter School's charter and any authorized amendments. The Charter School will provide the District with written monthly notice when the Charter School withdraws funds deposited by the Sacramento County Superintendent of Schools in the Sacramento County Treasury for the account of the Charter School and re-deposits those funds in a financial institution selected by the Charter School. Such notice is provided when the Charter School provides the District with monthly bank statements from the banks where all the Charter School's accounts are held. Within fifteen calendar days of opening an account at a bank or other financial institution, the Charter School will provide written notice to the District of the commencement of that account, the type of account, the financial institution or bank and any identifying account numbers.

(d) Compliance with Procedures. To the extent that the Charter School is required to submit records or information to the District or the County Office of Education in order to confirm funding, including but not limited any audit requirements under LCFF, those records must be prepared by the Charter School in compliance with applicable laws.

**6. Legal Relationship.** Pursuant to its charter and Education Code section 47604, the Charter School is operated by the Non-Profit. The Charter School and the Non-Profit are separate legal entities from the District. As such, the District shall not be liable for the debts or obligations of the Charter School or the Non-Profit to the maximum extent permitted by applicable law. It is agreed that it is the Parties' intent that the District shall incur no unreimbursed cost or expenses of any type whatsoever as a result of its relationship with the Charter School. The Charter School may not enter into a contract or agreement to be managed or

operated by any other non-profit public benefit corporation (or any other corporation or entity) without the express written prior approval of the District. The obligations of the Charter School under such agreement or contract are solely the responsibility of the Charter School and are not the responsibility of the District.

**7. Complaints.** The Charter School shall inform the District of any complaints submitted or filed against it, including complaints filed with any governmental entity other than the District, which the District is obligated to respond to using its own complaint resolution processes, or under any state or federal law, including but not limited to complaint submitted pursuant to uniform complaint procedures. Copies of such complaints must be provided to the District within three (3) working days of receipt by the Charter School. If any such complaint raises an issue or issues that may be grounds for revocation or non-renewal of the charter, the District may request that the Charter School report to the District on how such complaints are being addressed, and the Charter School agrees to provide such information upon the District's request. The Charter School shall make such information available to the District for inspection and copying upon request during regular business hours or, upon request, the Charter School shall deliver to the District within ten (10) business days a current copy of any requested records or information. Under all circumstances, the Charter School will cooperate fully in the release of information to the District to assist in the District's oversight obligations.

**8. Fiscal Relationship.**

(a) Administrative Services. The District's Fee Schedule for Services to the Charter Schools ("Fee Schedule") for the 2016-17 school year is attached hereto as Appendix C, and incorporated to this Agreement by reference. The Charter School may purchase any of the "Optional Administrative Services" designated by the District. If the Charter School elects to purchase such services, the District's agreement to provide those services shall be reduced to writing and signed by the Parties in a separate agreement. The District reserves the right to annually revise the Fee Schedule to reflect the District's then-calculated rates, and the rates stated by each such revision shall apply to services the Charter School is purchasing from the District. If the Charter School contracts for services that require the District to provide labor beyond the current work and vacation calendars of District employees, then the Charter School shall pay the actual cost of these services.

(b) Oversight Fee. The Parties agree that the District will incur costs in connection with its performance of supervisory oversight of the Charter School as required by law, and that it is not in the best interests of either Party to require a mechanical assessment, accounting, billing and payment process to compensate the District for such costs. The Parties further agree that the District is not providing the Charter School with substantially rent-free facilities as referenced by Education Code section 47613(b). Therefore, the Parties agree that the actual cost of the District's supervisory oversight of the Charter School is one percent (1%) of all "Revenue of the Charter School" (excluding grants, loans, and private donations), as defined in Education Code sections 47613, 47632, subd. (a), 42238.02, and 42238.03.

Should anything in this provision require revision based upon a change in the law or

regulation, the Parties shall meet without delay to cooperatively revise the MOU to ensure that the fees for oversight are consistent with the law. The Parties further agree that should the District be required by law or requested by the Charter School to perform services on behalf of the Charter School outside of its supervisory oversight functions and other than as outlined above regarding administrative services, it will incur additional costs or expenses, which the Charter School agrees are not included within the services under the Oversight Fee. However, no cost will be imposed upon or accrued by the Charter School without prior negotiation and agreement between the Charter School and the District of the terms and cost of said services.

“Supervisory Oversight,” as used in the Education Code section 47613, is defined in Education Code sections 47604.32 and 47604.33 to mean the District’s performance of duties to include the following:

- Identification of at least one (1) staff member as contact person for the Charter School.
- Visiting the Charter School at least annually.
- Ensuring that the Charter School complies with all reports required of charter schools by law, including the annual update required pursuant to Education Code section 47606.5.
- Monitoring the fiscal condition of the Charter School.
- Providing timely notification, in accordance with the law, regarding whether the charter’s renewal is granted or denied, the charter is revoked, or the charter will cease operation for any reason.
- Reviewing annual reports and assessing the fiscal condition of the Charter School pursuant to Education Code section 47604.33.

(c) Payment for Administrative Services, Oversight Fee and Expenses. On a quarterly basis, the District shall provide a written invoice and, as necessary, supporting expense information, to the Charter School detailing the amount due for services performed by the District, the oversight fee due pursuant to section 8(b), and any expenses paid by the District on the Charter School’s behalf, with the exception of special education encroachment fees, if any which shall be computed and charged in accordance with the Special Education Memorandum Of Understanding between the Parties (Special Education MOU).

Payment on invoices provided to the Charter School pursuant to this section shall be due within thirty (30) calendar days of receipt unless the Charter School has provided written notice to District that it disagrees with invoiced charges. Payments shall be made to the District’s Business Services Department. The Charter School may only withhold payment for services, fees or expenses that it has specifically contested. The Charter School shall make payment by check.

(d) Distribution of Assets Upon Revocation or Closure. Should the Charter School, as an entity separate from the Non-Profit, cease to exist (by revocation or nonrenewal of its

charter or by voluntary closure), and upon a final audit and the payment of, or provision for payment of, all debts and liabilities of the Charter School, any public funds held by or for the Charter School and any assets of the Charter School purchased with public funds shall be distributed in accordance with the terms of the Charter.

## **9. Fiscal Controls.**

(a) Fiscal Policies. The Charter School shall adopt and meet generally accepted accounting principles and shall adopt policies to ensure the Charter School's funds are used to most effectively support the Charter School's mission and to ensure that funds are budgeted, accounted for, expended, and maintained in an appropriate fashion. The Charter School's attendance accounting practices will be in conformance with the Charter Schools Act, the California Administrative Code sections defining charter school average daily attendance, and other applicable law.

(c) Annual Financial Audit. The Charter School's governing board will annually appoint an external fiscal auditor, subject to the approval of the District. The Charter School shall complete its audit within ninety (90) days of the close of the fiscal year. A copy of the audit report shall be submitted to the District within thirty (30) days of completion, and no later than December 15 of the fiscal year following the fiscal year for which the audit was performed. The Charter School agrees to implement all audit recommendations to the District's satisfaction, unless other terms are agreed to between the District and the Charter School.

- (2) On or before December 15, a first interim financial report, reflecting changes through October 31;
- (3) On or before March 15, a second interim financial report, reflecting changes through January 31; and
- (4) On or before September 15, a final unaudited report for the full prior fiscal year.

In addition to the reports required by this section, the Charter School must submit all reports indicated in Appendix D (Calendar of Annual Charter Due Dates), incorporated to this Agreement by reference. Failure to submit accurate and complete financial information as required hereby shall be considered grounds for revocation of the charter, subject to reasonable opportunity on the part of the Charter School to amend and rectify findings of the above reports.

(e) Voter Approved Measures. In the event that the District seeks and receives a voter approved bond or parcel tax, the Charter School shall have no entitlement to any portion of the funds unless otherwise negotiated in advance. The Charter School agrees that it has no entitlement to funds currently being received, if any, by the District under former parcel tax or bond elections.

(f) Loans. The Charter School agrees that it shall establish a fiscal plan for repayment of any loans received by the Charter School in advance of receipt of such loans. It is agreed that all loans sought by the Charter School shall be authorized in advance by the governing board of the Charter School and shall be the sole responsibility of the Charter School. The District will have no obligation with respect to any loans received by the Charter School to finance its operations, and any such loan shall be the sole responsibility of the Charter School. Upon request, the Charter School will provide information regarding any such loan to the requesting agency pursuant to Education Code section 47604.3. The Charter School shall notify the District, in writing, no later than thirty (30) days prior to entering into any debt whatsoever.

(g) Advance of Funds. The District may in its sole discretion advance funds to the Charter School. In addition, the District may in its sole discretion provide a line of credit for the Charter School.

(h) Cash Flow and Reserve. The Parties agree that the maintenance of a sufficient level of funding reserve is in the best interest of the Charter School and its successful operation. Accordingly, the Charter School shall maintain reserves of no less than three percent (3%). An explanation of any projected drop in reserves below the three percent (3%) level must be included in the Charter School's assumptions in the adopted budget for the fiscal year.

(i) Third Party Debts and Liabilities. Assets or funds allocated or held by the Charter School for provision of its educational services shall not be used to satisfy any third party debts

or liabilities, including those of the Non-Profit. Without limitation to the foregoing, no Charter School monies shall be allocated or spent on the debts or liabilities of any party or organization that is associated with founding this Charter School.

(j) Banking Arrangements. The Charter School's Business Officer or designee will reconcile the Charter School's ledger(s) with its bank accounts or accounts in the County Treasury on a monthly basis and prepare (1) a balance sheet, (2) a comparison of budgeted to actual revenues and expenditures to date, and (3) a cash flow statement, which will be submitted with the reports listed above in section 9(d). The Charter School will deposit all funds received as soon as practical upon receipt. Occurrence-based liability indemnity protection, having a combined limit of liability of no less than five million dollars (\$5,000,000) per claim and in the aggregate, and a per occurrence deductible of no greater than five thousand dollars (\$5,000), whether purchased in the form of a single policy/agreement or by way of multiple policies/agreements, including excess or umbrella policies or agreements, that extends coverage for, among other things, educators’ legal liability, property damage liability, employment practices liability, automobile (owned, non-owned, and hired) liability, personal injury and advertising injury liability, directors and officers, and errors and omissions liability, with such coverage extended to the Charter School, its governing board, its officers, agents, employees, and volunteers. (b) Workers’ Compensation. In accordance with the California Labor Code, the Non-Profit shall purchase and maintain workers’ compensation and employers liability insurance or indemnity protection adequate to protect the Charter School from claims under California’s Workers’ Compensation Act, with a limit of liability no less than \$500,000, and that extends coverage and protection to Charter School employees and volunteers. (c) Property Insurance. The District will maintain insurance for facilities, consistent with the Facilities Use Agreement. This includes property damage coverage sufficient to replace, at current market value and in compliance with any enhanced building codes or disability access ordinances, regulations or laws, all personal property, fixtures, and property owned or under the care, custody, or control of the Charter School. Evidence of such coverage shall be provided in the form of a duly issued certificate of insurance or coverage which must affirmatively state that the required coverage shall not be reduced or prematurely terminated or cancelled absent 30-days notice to District.

(d) Bond. Fidelity and crime coverage extending to wrongful acts with respect to money or property owned by or under the care, custody or control of any Charter School employee, volunteer, agent or representative. (b) Transportation. Unless otherwise agreed with the District, the Charter School shall be responsible for any transportation offered to students who enroll in the Charter School.

**17. Amendments to Charter.** Changes to the Charter deemed to be material amendments may not be made without District consideration and approval. Amendments to the Charter considered to be material changes include, but are not limited to, the following:

- (a) Substantial changes to the educational program (including the addition or deletion of an educational program), mission, or vision;
- (b) Changing to (or adding) a non-classroom-based program, if originally approved as a classroom-based program;

- (c) Proposed changes in enrollment that differ by more than 10 percent +/- of the enrollment originally projected in the charter petition;

**18. Amendments to Agreement.** Any modification of this Agreement must be in writing and executed by duly authorized representatives of both Parties specifically indicating the intent of the Parties to modify this Agreement. No such modification or amendment shall be effective absent approval or ratification by the governing boards of both Parties.

In the event of changes in laws, the District and the Charter School agree to negotiate modifications to this Agreement as required by applicable law.

**19. Dispute Resolution.** Any and all disputes arising out of the interpretation or performance of this Agreement shall be subject to the following procedure until a resolution is reached. Once the Parties have exhausted the procedures stated in (a)-(c), below, each may pursue a remedy as entitled to them by law. Notwithstanding the foregoing, if any such dispute concerns facts or circumstances that may be cause for revocation of the Charter, the District shall not be obligated by the terms of this section as a precondition to revocation.

(a) The disputing party shall provide written notice of the dispute to the other party. Thereafter, the Charter School's designee shall meet with the District's Superintendent or designee within thirty (30) days to attempt informal resolution of the dispute.

(b) In the event this informal meeting fails to resolve the dispute, both Parties or their designees, within sixty (60) days counting from the initial informal meeting date, shall identify two governing board members from their respective boards who shall jointly meet with the Charter School's designee and the District's Superintendent or designee and attempt to resolve the dispute.

(c) If this joint meeting fails to resolve the dispute, the District and the Charter School shall enter into non-binding mediation before a mutually agreed upon mediator, with the costs of the non-binding mediation to be split evenly between the Parties. The format of the mediation shall be developed jointly by the District and the Charter School, and shall incorporate informal rules of evidence and procedure, unless both Parties agree otherwise. Notwithstanding the foregoing, the findings or recommendations of the mediator shall be non-binding, unless the governing boards of the Non-Profit and the District jointly agree to bind themselves.

**21. Venue.** The Parties agree that any legal action to enforce the terms of this Agreement shall be brought in the appropriate court in Sacramento County, California.

**22. Governing Law and Authority.** In the event of a conflict between the law and terms of this Agreement, the law shall prevail, and any such conflicting terms shall be severed from this Agreement and nullified. To the extent that this Agreement is inconsistent with any of the terms of the Charter, the terms of this Agreement shall supersede the terms of the Charter. The Parties further agree to jointly make any modification of this Agreement or the Charter needed to effectuate changes in state or federal laws following the execution of this Agreement.

**23. Notices.** All notices, requests, and other communications under this Agreement shall be in writing and submitted in writing to the addresses set forth below. Notice shall be deemed given on the second day following the mailing of notice by certified mail.

Capitol Collegiate Academy  
Corrective Action Plan for 2016-2017 School Year

**I. Recitals**

- A. This corrective action plan is an appendix to the operational memorandum of understanding (MOU) between the Capitol Collegiate Academy (CCA), a non-profit corporation operating a charter school under the same name, and the Sacramento City Unified School District (District.)
- B. On September 18, 2015, CCA petitioned the District for a five-year renewal to its operating charter, initially approved on May 6, 2010, and extended on March 5, 2015. On November 19, 2015, the District's Board of Trustees approved CCA's renewal petition, contingent upon the terms and conditions to be agreed upon on in the MOU.
- C. This corrective action plan identifies areas that District staff identified during their review of the renewal petition, and establishes corrective steps that CCA agrees to remedy.
- D. CCA and the District shall annually review the progress made towards achieving the terms of this corrective action plan.

NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements set forth herein and in the MOU, the Charter School agrees to the following terms and conditions:

1. Pupil Suspension and Expulsion Policies. CCA's student discipline policies, as described in their charter renewal petition, contain a nearly identical list of offenses that may result in a discretionary student suspension or discretionary student expulsion. However, the student discipline policies do not contain a set of objective standards outlining the circumstances when it is appropriate for the Charter School to issue a discretionary suspension, as opposed to a discretionary expulsion. To remedy this deficiency:

- CCA shall develop an objective standard to determine when a student shall be subject to a discretionary expulsion, as opposed a discretionary suspension;
- CCA shall incorporate this objective standard into their student discipline policies, and provide all parents and pupils with notice of said policy change; and
- CCA shall provide proof to the District of the creation, adoption, and implementation of said student discipline policy.

2. Cash flow and Budgeting. The District's review of CCA's renewal petition exposed several concerns about the adequacy of CCA's cash flow and supporting budgetary documents. To address this concern:

- Within 14 calendar days after the execution of this Agreement, and, annually thereafter, CCA shall provide the District with cash flow projections and operational budgets for the next three years, or until the charter expires, whichever is shorter. Within one month after the execution of this Agreement, and annually upon request thereafter, a CCA representative shall meet with the District to review and respond to District inquiries regarding CCA's cash flow and budget documents.

**SPECIAL EDUCATION MEMORANDUM OF UNDERSTANDING  
BETWEEN SACRAMENTO CITY UNIFIED SCHOOL DISTRICT  
AND  
Capitol Collegiate Academy**

This Memorandum of Understanding (“Agreement”) is entered into as of June 16, 2016 (“Effective Date”), by and between the Board of Trustees of the Sacramento City Unified School District (“District”) and Capitol Collegiate, Inc. (“Non-Profit”), a California non-profit public benefit corporation, operating Capitol Collegiate Academy (“Charter School”), a public charter school chartered by the District. This Agreement will set forth the responsibilities of the Parties with respect to the delivery and financing of special education services to children enrolled in the Charter School. The Charter School and the District are collectively referred to as the “Parties.”

**I. RECITALS**

- A. The District is the granting agency of the Charter School. The District *initially* approved the charter on May 6, 2010 for a term of four years and extended the charter for one year on March 5, 2015. The District renewed the Charter School’s charter on November 19, 2015 for a term of five years, beginning on July 1, 2016 and expiring June 30, 2021.
- B. The Charter School is a school operated by Non-Profit, a non-profit public benefit corporation. All obligations imposed hereby on the Charter School are equally imposed on Non-Profit.
- C. This Agreement has the purpose of clarifying the roles and responsibilities of the Parties with regard to students who are enrolled and attend the Charter School and are or may be eligible for special education and related services under the Individuals with Disabilities Education Act (“IDEA”) (20 U.S.C. § 1400 *et seq.*).

NOW, THEREFORE, in consideration of the promises and the mutual covenants and agreements herein set forth, the Charter School and the District do hereby agree as follows:

**II. USE OF TERMS**

The Parties agree that unless otherwise stated herein, for the purposes of this Agreement, the terms “Charter School” and “Non-Profit” may be used interchangeably, with the duties and responsibilities of the Charter School and Non-Profit being the same under this Agreement.

**III. PROVISION OF SPECIAL EDUCATION AND RELATED SERVICES**

- A. It is the intent of the Parties that the Charter School shall be its own local educational agency (“LEA”), pursuant to California Education Code section 47641, subdivision (a). The Charter School has obtained membership as an independent LEA in the El Dorado County Office of Education SELPA

("SELPA"). The Charter School has provided the District with verifiable written assurances that they have been accepted to participate as an LEA in the SELPA.

- B. The Charter School will serve as its own LEA for the purposes of special education, and as such, the Charter School is solely responsible, at its own expense, for insuring that all children with disabilities enrolled in the Charter School receive special education and designated instruction and services in conformity with their individualized education programs and in compliance with the IDEA (20 U.S.C. § 1400 *et seq.*), its implementing regulations and all applicable state and federal law. (34 C.F.R. § 300.209(c); Ed. Code, § 47646(a).)

#### **IV. TERM**

The term of this Agreement shall be from the Effective Date to June 30, 2021. This Agreement may be amended by mutual written agreement of the Parties at any time. This Agreement is subject to termination during the term as permitted by law.

#### **V. SECTION 504 OF THE REHABILITATION ACT OF 1973 AND THE AMERICANS WITH DISABILITIES ACT**

The Parties agree that this Agreement is intended to address the responsibilities of the Parties with respect to the provision and financing of special education services under the IDEA and does not cover services or accommodations required under Section 504 of the Rehabilitation Act of 1973 ("Section 504") (29 U.S.C. § 794 *et seq.*), or under the Americans with Disabilities Act of 1990 ("ADA") (42 U.S.C. § 12101 *et seq.*). The Charter School shall be solely responsible, at its own expense, for compliance with Section 504 and the ADA.

#### **VI. INDEMNIFICATION, INSURANCE AND RISK MANAGEMENT**

- A. The Non-Profit shall comply with the terms set forth in paragraph 13 of the Operational Memorandum of Understanding between Sacramento City Unified School District and the Non-profit dated June 16, 2016, which terms are incorporated as if fully set forth herein.
- B. The Non-Profit shall, for itself and the Charter School, comply with the terms set forth in paragraph 14 of the Operational MOU, which terms are incorporated as if fully set forth herein.
