Board Comment:

2nd Vice President Minnick concerned about use of social workers and what is in the parameters of their work. Becky Bryant responds our educationally related mental health services do incorporate the use of school social workers as well as Student Support Services. They also use social workers. We do have some social workers on staff who are LCSW and MFTs. The focus is to support students so they can gain access to their educational environment. We do acknowledge there are times when students need more. Sometimes those are reasons that our students have to go to a nonpublic school because there is higher level of therapy available to them. Minnick continues do we have a timeline for the new Community Advisory Committee (CAC) and next steps. Dr. Iris Taylor responds the first meeting of the year is 9/25/18. Elections are in October. Toolkits were prepared for each school site containing information on the CAC meeting dates and phone calls have gone out as well.

Board Comment:

2nd Vice President Minnick understands Board voting on a revised budget is scheduled for the October 4th Board meeting and is anticipating potentially 3-6 weeks before we would know from SCOE whether or not budget is approved. Dr. John Quinto responds that is incorrect FICMAT in October has a process for fiscal health and they will take 3-6 weeks to assess our fiscal health. SCOE with their fiscal advisor is currently combing through our finances. We are due to have answers by the end of next week. 2nd Vice President Minnick continues when a revised budget comes to us for a vote will Superintendent Gordon have already approved our budget. Dr. John Quinto responds we will not know. Our role is to get a target value and look at savings or reductions.

Member Hansen thank you for presentation. Clearly we have a lot of things to consider in the next several weeks and beyond. Encouraged by earlier comments from some of our labor partners that they have been meeting in a labor management coalition. They did a press conference where they offered to work cooperatively with the district like many unions do with their school boards across the state. That's the way it's supposed to work. We are all in this together and we have a lot of work to do but we have to be working together to be successful for our students.
