II. DRIVING GOVERNANCE

The charter petition process is guided by Education Code 47605. The education code requires that no later than 60 days after receiving a petition, the school district's governing Board shall hold a public hearing. The purpose of the public hearing is to consider the support for the petition from the district's teachers, other employees, and parents. Though it is not in the statute, the public hearing is also used as an opportunity for the charter school to present directly to the Board as to why its petition should be renewed. As such CCA staff will be providing an update on the charter school and any relevant information regarding its performance.

Unless both parties agree to an extension of 30 days, within 90 days of receipt of the petition, the school district's governing Board shall either grant or deny the charter. The school district's governing Board shall publish all staff recommendations and findings regarding the petition at least 15 days before the public hearing when the school district's governing Board will grant or deny the charter. At this public hearing, when the school district's governing Board shall either grant or deny the charter, the petitioners shall have equivalent time to present evidence and testimony to respond to the recommendations and findings.

III. BUDGET

The petitioners for CCA should include budget details in their petition. District staff will review the charter school's financials and publish their recommendations and findings at least 15 days before the public hearing when the Board will grant or deny the charter's renewal.

IV. GOALS, OBJECTIVES, AND MEASURES

The Education Code states that the objective of the public hearing is to consider the support for the petition from the district's teachers, other employees, and parents. Though it is not in the statute, the public hearing is also used as an opportunity for the charter school to present directly to the Board as to why its petition should be renewed. As such CCA staff will be providing an update on the charter school and any relevant information regarding its performance.
