Recommendation: Conduct a public hearing on the proposed 2018-19 Budget for all funds.

Background/Rationale: By June 30th of each year, the school district must adopt a budget for all funds for the ensuing fiscal year. Prior to adoption of the budget, the Board must conduct a public hearing. This is in accordance with state prescribed procedures for single budget adoption, which require that the budget be adopted and submitted to the County Office of Education on state required forms by June 30th. The 2018-19 Budget establishes expenditure authority for the district to conduct business in the coming year.

The proposed 2018-19 budget is based on the May Revise Budget that was presented by the Governor on May 11, 2018. Staff learned the details of the May Revise on May 22, 2018 and incorporates recommendations from the Sacramento County Office of Education. While the Governor's May Revised Budget is a very significant event in the process, the final impact to the district will not be known until the State budget is signed. School districts have 45 days after the final State budget is signed to amend and resubmit their budget. The proposed 2018-19 budget takes into consideration the priorities from stakeholders as discussed at the LCAP presentations, the graduation task force and budget committee meetings.

Financial Considerations: The proposed budget establishes expenditure authority for all funds.

LCAP Goal(s): Family and Community Empowerment; Operational Excellence

I. OVERVIEW/HISTORY:

This document provides an overview of the budget process and a timeline used in preparing the 2018-19 Adopted Budget. The Governor's Budget Proposal for 2018-19 paints a bright, but cautious, fiscal picture than what he offered in his January Budget proposal.

He warned that we cannot rely on past revenues to predict the future. He noted that we are in one of the longest recovery periods on record and that the slowdown of the economy could happen at any time. He points out that the previous two governors did not project the downturn of the economy. The Governor also emphasized exercising fiscal restraint due to this looming recession and has set the majority of the new revenues in reserve. He cautioned about starting new programs that cannot be maintained in the future due to the volatility of the state revenues, especially capital gains.

All in all, the May Revision is slightly better for public education than the January Budget, but given the automatic cost increases local education agencies are facing, it's a significant challenge to merely maintain current programs, let alone augment them.

On December 7th - Staff presented the First Interim Financial Report and Board approved with a positive certification for the fourth year in a row since 2007-08. Staff projected the revenues and expenses for 2018-19 emphasizing that the District must be vigilant and have the fiscal discipline to avoid incurring any fiscal distress in future years. Staff presented an overview of the District's budget along with challenges, such as a continuing small decline in Average Daily Attendance (ADA), mainly due to the addition of a new charter school within the last year, increases in health benefits, retirement system costs and Other Post-Employment Benefits (OPEB) Liability.

On December 7th - Staff presented a budget timeline and process for preparing the 2018-19 Adopted Budget that aligned with LCAP. The process of developing a school district budget is an ongoing function that must be addressed by the Board and administration throughout the school year. In order to effectively develop a fiscal document that reflects the goals and objectives of the school district, the budget process must include a well-defined budget calendar outlining when specific activities will be completed.

January/February - Based on the Governor's January budget, staff presented a summary of the Governor's January budget to the budget committee. The estimated statutory COLA for K-12 education programs in 2018-19 was 2.51% during January's Proposal, and is applied to the LCFF base grant targets, as well as other education programs that are funded outside of the LCFF. Those programs include Special Education, Child Nutrition, Foster Youth, Preschool, and Childhood Education, all of which were proposed to receive the statutory COLA. In addition to

the proposed COLA increase, one time 2018-19 discretionary funds equivalent to \$11.36 million for SCUSD were proposed in the Governor's January Budget. For 2017-18, the amount of one time funds for SCUSD was \$5.7 million.

The Budget development and the LCAP go hand in hand. The LCAP Parent Advisory Committee (LCAP PAC), appointed in 2016, met monthly beginning in October 2017. Topics discussed by the LCAP PAC included measuring accountability, stakeholder engagement, and the district budget. For the first time this year, the first interim budget was presented to the committee members. Parents and allies of English Learners were engaged throughout the year at District English Learner Advisory Committee (DELAC) meetings. The LCAP PAC and the DELAC devoted a significant amount of time to studying and understanding the California School Dashboard, the budget and the state's system of support. The DELAC provided comments on the LCAP draft on May 24, 2018. The LCAP PAC comments were provided on May 31, 2018. The District's LCAP feedback survey was offered between May 29 and June 7, 2018, inviting stakeholders to provide their opinion on whether the goals, actions, and services in the LCAP are moving the District in the right direction.

At the request of the Superintendent, a LCAP/Budget/SPSA Matrix was developed to keep track of three different required documents that show that the three areas are dependent of each other. In addition, in order to track the supplemental and concentration funds in a more transparent way, three different resources were created:

- Resource 0007 to track expenditures that serve low income students (Free/Reduced)
- Resource 0009 to track expenditures that serve Limited English Proficiency
- Resource 0011 to track expenditures that serve Foster Youth students
- We are also looking into creating two additional components in the account code structure to track expenditures by grade level and different indicators.

During the months of January and February, Budget and HR staff met with each school and central department administrators to develop the budget for 2018-19. During these meetings, the budget for the current year was reviewed so school administrators can effectively monitor spending funds to serve students.

On March 15th, the Second Interim Financial Report was approved with a positive certification. It was determined that the District will finish with a positive cash status by the end of June. Staff presented the financial position for 2017-18 and the projections for 2018-19 and 2019-20. Staff presented the enrollment, average daily attendance, state revenue and other areas that could impact the budget in the current or outlying years. Staff explained that the District has settled agreements with all bargaining units for 2016-17, 2017-18 and 2018-19 and the settlements were included in the Multi Year Projection.

June 7, 2018

On April 5th, as an information item, staff presented the LCAP Annual Update to the Board, including a review of data trends and expenditures to date. Staff described how the community would be presented with multiple opportunities to review the Annual Update, and to provide feedback on the draft LCAP. Staff analyzed the actual Average Daily Attendance (ADA) for Period 2 and mandatory costs to begin building the 2018-19 District budget proposal.

Staff discussed with Sacramento County Office of Education (SCOE) the Second Interim and budget assumptions for 2018-19. Staff also met with SCOE to review the LCAP changes implemented by California Department of Education (CDE) and the expectations of the budget for 2018-19 and beyond.

Staff attended the May Revision workshops to analyze the Governor's May Revision and provided an update to the Budget Committee. The Budget Committee met a total of nine times with the last meeting held on May 14th, 2018. The Budget Committee is composed of three Board members and staff. The meetings are open to the public. The Committee has learned about different topics and their recommendations are included in the Budget for 2018-19 and are aligned to the strategic plan and LCAP recommendations.

On May 14th, the Board Budget Committee received preliminary information on the May Revision which was officially released on May 11, 2018. Staff highlighted the proposed additional \$3.2 billion statewide, up to \$4.9 Million for SCUSD from the January Budget proposal.

The May Revision continues the Governor's intent of fully funding the Local Control Funding Formula (LCFF) two years ahead of schedule. As a reminder, the Governor defines full implementation as the restoration of K-12 funding levels that prevailed in 2007-08, the year before the Great Recession. The restoration would include cost-of-living adjustments (COLA) since 2007-08. The Governor's goal was to reach full funding by 2020-21, an eight-year implementation period. This was achieved in six years. However, the LCFF addresses the revenues, but not the cost over the same period of time. Employer contribution rates to the California State Teacher's Retirement System (CalSTRS) and the California Public Employees' Retirement System (CalPERS) have increased each year to address the unfunded liability of these pensions systems. Approximately 14% of the LCFF has been used to fund these costs.

At the January Governor's Budget Proposal, we estimated about \$295 per ADA in one-time funds. The May Revision shows an increase to \$344 per ADA. This is a one-time increase equivalent to about \$13.2 Million for SCUSD compared to 2017-18. All of the one-time funds are used in 2018-19 to meet the increase of labor contract negotiations.

Staff is presenting the 2018-19 Allocation of Resources based on community engagement and LCAP Advisory Committee and Budget Committee input. Staff presented the Superintendent

recommendations and listened to Board and public comments to adjust the Proposed Budget for FY 2018-19 based on the May Revise Funding. The 2018-19 Adopted Budget is based on the Governor's May Revise and recommendations from Sacramento County Office of Education (SCOE). The recommendations from the Superintendent take into consideration all input from the stakeholders. The Superintendent took very seriously the recommendations made by the LCAP Advisory Committee and the Board of Education. Staff will continue to closely monitor the state budget situation.

II. Driving Governance:

- Education Code section 42127 requires the Governing Board of each school district to adopt a budget on or before July 1st. The budget to be adopted shall be prepared in accordance with Education Code section 42126. The adopted budget shall be submitted to the County Office of Education. The County Office of Education will determine if the district will be able to meet its financial obligations during the fiscal year and ensure a financial plan that will enable the district to satisfy its multi-year financial commitments.

PROPRIETARY FUNDS

Proprietary Funds Definition

Proprietary Funds are used to account for activities that are more business-like than government-like in nature. Business-type activities include those for which a fee is charged to external users or to other organizational units of the LEA, normally on a full cost-recovery basis. Proprietary funds are generally intended to be self-supporting. This classification includes the Self-Insurance fund, which includes the Dental/Vision fund.

4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)¹ and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA¹ and its economic recovery target payment, plus or minus one percent.

¹Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.

4A. District's LCFF Revenue Standard

Indicate which standard applies:
