Recommendation: Board to receive the annual Bond Oversight Committee's report.

Background/Rationale: The Bond Oversight Committee (BOC) is comprised of community members who are committed to improving the school facilities in which our children learn, and overseeing the District's fiscal oversight duty to the voters. Committee members serve two-year staggered terms. The BOC oversees the District's expenditure of bond proceeds by reviewing expenditure reports produced by the District to ensure bond proceeds are expended only for the purpose set forth in the ballot measure and that no bond proceeds are used for any teacher or administrative salaries or other operating expenses. The committee works with an independent auditor, conducts research and conducts site visits to guarantee these duties are fulfilled. The committee meets at least four times a year in its role as an advisory board to the Board of Education. One of the requirements of the BOC is to present an annual report to the Board of Education.

I. OVERVIEW / HISTORY

Proposition 39 General obligation bonds require the appointment of a Bond Oversight Committee (BOC). The BOC oversees the expenditure of money for the construction, repair, and modernization of schools by the District. The BOC communicates its finding to the Board and the public in order to ensure that school bond funds are invested as the voters intended and that projects are completed wisely and efficiently.

To guarantee this, the Committee works with an independent auditor and conducts research, surveys and site visits at the district and school site level. The BOC typically meets four times a year in its role as an advisory board to the school district trustees. During the meetings, the committee will listen to reports from staff and consultants summarize the status of projects in progress. At some point during the year, a financial audit and a performance audit is presented for the Committee's review. Also once a year, the BOC makes a year-end report to the Board of Trustees. The members of the SCUSD Bond Oversight Committee were approved by the Board of Education on March 21, 2013. An additional three members were approved in 2015. Most recently, two new members were approved in 2016. Additionally in 2016, 3 members have resigned their membership.
