**Division:** Health Services

**Recommendation:** Honor and recognize National School Nurses Day

**Background/Rationale:** National School Nurses Day, May 7, 2025 is a time to celebrate the specialty practice of school nursing. The District applauds and appreciates the contributions school nurses make every day to improve the safety, health and academic success of all our students. The recent increases in childhood illnesses such as diabetes and asthma has highlighted the importance of our school nurses. Now more than ever we see the positive impact that school nurses contribute in removing barriers and keeping our students engaged in school.
