Recommendation: Approve Operational Memorandum of Understanding between
Sacramento City Unified School District and The Language Academy of Sacramento
("LAS")

Background/Rationale: The District voted to approve The Language Academy of
Sacramento ("LAS") for another five-year term on March 20, 2014. By approving the
charters, the District assumed certain oversight responsibilities over each charter school
pursuant to California's Charter Schools Act. It is the best practice for the District to enter
into an Operational Memorandum of Understanding ("MOU") with each charter school.
The Operational MOU outlines responsibilities and expectations between the District and
the Charter School regarding the oversight fee paid by the Charter School to the District,
the parties' respective fiscal and administrative responsibilities, their legal relationship
and other matters of mutual interest not explicitly addressed or resolved in the terms of
each Charter School's charter.

**OPERATIONAL MEMORANDUM OF UNDERSTANDING BETWEEN
SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
AND
THE LANGUAGE ACADEMY OF SACRAMENTO**

This Operational Memorandum of Understanding (“Agreement”) is entered into as of _____, 2014, by and between the Board of Trustees of the Sacramento City Unified School District (“District”) and the Language Academy of Sacramento (“Non-Profit”), a California non-profit public benefit corporation, operating the Language Academy of Sacramento Charter School (“Charter School”), a public charter school chartered by the District. The District, the Non-Profit and the Charter School are collectively referred to as the “Parties.” This Agreement shall be enforceable only following execution by both Parties and ratification or approval by the governing boards of each of the Parties.

RECITALS:

- A. The District is the granting agency of the Charter School. The District renewed the Charter School’s charter on March 20, 2014, for a term of five years, beginning on July 1, 2014 and expiring June 30, 2019. The Charter School is operated by the Non-Profit.
- B. By approving the charter petition, the District assumed certain oversight responsibilities of the Charter School pursuant to the California’s Charter Schools Act (Cal. Ed. Code, §§ 47600 *et seq.*). This Agreement is intended to outline the Parties’ agreements governing their respective fiscal and administrative responsibilities, their legal relationship, and other matters of mutual interest not otherwise addressed or resolved in the terms of the Charter School’s charter.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein set forth, the Non-Profit and the District do hereby agree as follows:

- 1. Use of Terms.** Unless otherwise stated, for the purposes of this Agreement, the terms Charter School and Non-Profit may be used interchangeably, with the duties and responsibilities of the Charter School and Non-Profit being the same under this Agreement.
- 2. Term and Renewal.** This Agreement shall commence on the date upon which it is executed by both Parties, but shall not be effective absent ratification or approval by the governing boards of each of the Parties. The Agreement shall cover the remaining term of the charter, expiring on June 30, 2019. The Agreement is also subject to termination in accordance with the processes as set forth in this Agreement or as otherwise permitted by law. Renewal or extension of the charter and this Agreement shall be based, in part, on compliance with the terms set forth in this Agreement, District policy, and applicable law.
- 3. Designation of School.** The Charter School shall be known as the “Language Academy of Sacramento”. The Charter School may not change its name, nor operate under any other name, without the prior express written approval of the District. The Non-Profit shall be responsible for all functions of the Charter School pursuant to the terms and conditions set forth

in this Agreement and its charter. The Charter School shall not be located at more than one school site without the prior express written approval of the District. The Charter School shall not change locations without the prior express written approval of the District. Any change of location shall be considered a material revision of the charter petition under Education Code sections 47605 and 47607 and shall not be denied unless there are sufficient findings per these statutes.

4. School Accountability. The Charter School shall comply with Education Code section 47606.5, as that statute may be amended from time to time, as well as its implementing regulations, if any. The Charter School's final version of its Local Control and Accountability Plan ("LCAP") shall be provided to the District by July 1, 2014, and on or before July 1 annually thereafter, unless a different date is established by law. The Charter School will comply with the statutes and regulations regarding the preparation of the LCAP.

5. Funding.

(a) Basic Funding. The Charter School shall receive its funding in accordance with applicable law. Should anything in this MOU require revision based upon change in law or regulation, the Parties shall meet without delay to cooperatively revise the MOU to ensure consistency with the law. Any future revision of the Charter Schools Act to revise the manner in which charter schools are funded shall not be interpreted to prevent the Charter School's direct receipt of full funding in accordance with applicable law.

The Charter School is eligible for a general-purpose entitlement allocated through the Local Control Funding Formula ("LCFF") under Education Code sections 42388 *et seq.* In addition to LCFF funding, the Charter School may continue to receive Block Grant Funding for eligible expenses from prior years consistent with state law. Except as otherwise noted in this Agreement, it shall be the responsibility of the Charter School to apply for funding beyond the basic statutory entitlements of the base grant due to the Charter School under LCFF.

The Charter School has elected to receive funding from the State directly, pursuant to Education Code section 47651. The District shall comply with Education Code section 47635 in providing the Charter School with its share of local funding. However, the Parties understand that in the event that such funds are not timely received by the District due to processing delays at either the state or county level, such funds shall be provided to the Charter School as soon as practicable after such funds are made available to the District. The District recognizes the authority of the Charter School to pursue additional sources of funding. Any application for funding by the Charter School that depends on the support or creditworthiness of the District shall be presented to the District for its prior written approval.

(b) District Applications for Funding. When the District applies for additional sources of funding in the form of grants and/or categorical funding at the request of and for the benefit of the Charter School, the District will receive one percent (1%) of such funds at the time they are paid to the Charter School. Such funds shall not be considered revenue for purposes of the District's oversight fee set forth in section 8(b).

(c) Expenditure of Funds. The Charter School agrees to comply with all regulations related to expenditures and receipt of its funds (including compliance with federal and state compliance regulations and certifications). Without limitation to the foregoing, the Charter School agrees that all revenue received from the District and the State shall only be used as outlined herein and in the charter for the provision of educational services for school age children enrolled in and attending the Charter School and shall not be used for purposes other than those set forth in the Charter School's charter and any authorized amendments. The Charter School will provide the District with written monthly notice when the Charter School withdraws funds deposited by the Sacramento County Superintendent of Schools in the Sacramento County Treasury for the account of the Charter School and re-deposits those funds in a financial institution selected by the Charter School. Such notice is provided when the Charter School provides the District with monthly bank statements from the banks where all Charter Schools accounts are held. Within fifteen calendar days of opening an account at a bank or other financial institution, the Charter School will provide written notice to the District of the commencement of that account, the type of account, the financial institution or bank and any identifying account numbers.

(d) Compliance with Procedures. To the extent that the Charter School is required to submit records or information to the District or the County Office of Education in order to confirm funding, including but not limited any audit requirements under LCFF, those records must be prepared by the Charter School in compliance with applicable laws.

6. Legal Relationship. Pursuant to its charter and Education Code section 47604, the Charter School is operated by the Non-Profit. The Charter School and the Non-Profit are separate legal entities from the District. As such, the District shall not be liable for the debts or obligations of the Charter School or the Non-Profit to the maximum extent permitted by applicable law. It is agreed that it is the Parties' intent that the District shall incur no unreimbursed cost or expenses of any type whatsoever as a result of its relationship with the Charter School. The Charter School may not enter into a contract or agreement to be managed or operated by any other non-profit public benefit corporation (or any other corporation or entity) without the express written prior approval of the District. The obligations of the Charter School under such agreement or contract are solely the responsibility of the Charter School and are not the responsibility of the District.

7. Complaints. Complaints filed with the Charter School, whether formal or informal and including complaints filed with any governmental entity other than the District, must be provided to the District within three (3) working days of receipt by the Charter School. If any such complaint raises an issue or issues that may be grounds for revocation or non-renewal of the charter, the District may request that the Charter School report to the District on how such complaints are being addressed, and the Charter School agrees to provide such information upon the District's request. The Charter School shall make such information available to the District for inspection and copying upon request during regular business hours or, upon request, the

Charter School shall deliver to the District within ten (10) business days a current copy of any requested records or information. Under all circumstances, the Charter School will cooperate

fully in the release of information to the District to assist in the District's oversight obligations.

8. Fiscal Relationship.

(a) Administrative Services. The District's Fee Schedule for Services to Charter Schools ("Fee Schedule") for the 2013-2014 school year is attached hereto as Appendix A. The Charter School may purchase any of the "Optional Administrative Services" designated by the District. If the Charter School elects to purchase such services, the District's agreement to provide those services shall be reduced to writing and signed by the Parties in a separate agreement. The District reserves the right to annually revise the Fee Schedule to reflect the District's then-calculated rates, and the rates stated by each such revision shall apply to services the Charter School is purchasing from the District. If the Charter School contracts for services that require the District to provide labor beyond the current work and vacation calendars of District employees, then the Charter School shall pay the actual cost of these services.

(b) Oversight Fee. The Parties agree that the District will incur costs in connection with its performance of supervisory oversight of the Charter School as required by law, and that it is not in the best interests of either Party to require a mechanical assessment, accounting, billing and payment process to compensate the District for such costs. The Parties further agree that the District is not providing the Charter School with substantially rent-free facilities as referenced by Education Code section 47613(b). Therefore, the Parties agree that the actual cost of the District's supervisory oversight of the Charter School is one percent (1%) of all "Revenue of the Charter School" (excluding grants, loans, and private donations), as defined in Education Code sections 47613, 47632, subd. (a), 42238.02, and 42238.03. Should anything in this provision require revision based upon a change in the law or regulation, the Parties shall meet without delay to cooperatively revise the MOU to ensure that the fees for oversight are consistent with the law. The Parties further agree that should the District be required by law or requested by the Charter School to perform services on behalf of the Charter School outside of its supervisory oversight functions and other than as outlined above regarding administrative services, it will incur additional costs or expenses, which Charter School agrees are not included within the services under the Oversight Fee. However, no cost will be imposed upon or accrued by the charter school without prior negotiation and agreement between the charter school and the District of the terms and cost of said services.

"Supervisory Oversight" as used in the Education Code section 47613 is defined in Education Code sections 47604.32 and 47604.33 to mean the District's performance of duties to include the following:

- Identification of at least one (1) staff member as contact person for the Charter School.
- Visiting the Charter School at least annually.
- Ensuring that the Charter School complies with all reports required of charter schools by law.
- Monitoring the fiscal condition of the Charter School.

- Providing timely notification, in accordance with the law, regarding whether the charter's renewal is granted or denied, the charter is revoked, or the charter will cease operation for any reason.
- Reviewing annual reports and assessing the fiscal condition of the Charter School pursuant to Education Code section 47604.33.

(c) Payment for Administrative Services, Oversight Fee and Expenses. On a quarterly basis, the District shall provide a written invoice and, as necessary, supporting expense information, to the Charter School detailing the amount due for services performed by the District, the oversight fee due pursuant to section 8(b), and any expenses paid by the District on the Charter School's behalf, with the exception of special education encroachment fees, if any (which shall be computed and charged in accordance with the Special Education Memorandum Of Understanding between Sacramento City Unified School District And The Language Academy of Sacramento (Special Education MOU).

Payment on invoices provided to the Charter School pursuant to this section shall be due within thirty (30) calendar days of receipt unless Charter School has provided written notice to District that it disagrees with invoiced charges. Payments shall be made to the District's Business Services Department. The Charter School may only withhold payment for services, fees or expenses that it has specifically contested. The Charter School shall make payment by check.

(d) Distribution of Assets Upon Revocation or Closure. Should the Charter School, as an entity separate from the Non-Profit, cease to exist (by revocation or nonrenewal of its charter or by voluntary closure), and upon a final audit and the payment of, or provision for payment of, all debts and liabilities of the Charter School, any public funds held by or for the Charter School and any assets of the Charter School purchased with public funds shall be distributed in accordance with the terms of the Charter.

9. Fiscal Controls.

(a) Fiscal Policies. The Charter School shall adopt and meet generally accepted accounting principles and shall adopt policies to ensure the Charter School's funds are used to most effectively support the Charter School's mission and to ensure that funds are budgeted, accounted for, expended, and maintained in an appropriate fashion. Such policies will include, but not be limited to the following:

- (1) Expenditures shall be made in accordance with amounts specified in the annual budget or budgetary revisions adopted by the Charter School's governing board;
- (2) The Charter School's funds shall be managed and held in a manner that provides a high degree of protection of the Charter School's assets; and

The Charter School shall establish and maintain an appropriate attendance accounting system to record the number of days students are actually in attendance and engaged in activities required of them by the Charter School. The annual audit (see section 9(c) below) will review actual attendance accounting records and practices to ensure compliance. The Charter School's attendance accounting practices will be in conformance with the Charter Schools Act, the California Administrative Code sections defining charter school average daily attendance, and other applicable law.

(c) Annual Financial Audit. The Charter School's governing board will annually appoint an external fiscal auditor, subject to the approval of the District. Said external fiscal auditor must be listed on the State Controller's Office website as approved to conduct such audits. The audit shall include, but not be limited to:

- (1) An audit of the accuracy of the Charter School's financial statements;
- (2) An audit of the Charter School's attendance accounting and revenue claims practices; and
- (3) An audit of the Charter School's internal control practices.

The Charter School shall complete its audit within ninety (90) days of the close of the fiscal year. A copy of the audit report shall be submitted to the District within thirty (30) days of completion, and no later than December 15 of the fiscal year following the fiscal year for which the audit was performed. The Charter School agrees to implement all audit recommendations to the District's satisfaction, unless other terms are agreed to between the District and the Charter School.

(d) Financial Reports. In addition to the foregoing requirements, the Charter School shall annually prepare and submit the following reports to the District and the County Superintendent of Schools:

- (1) On or before July 1, an adopted budget;
- (2) On or before December 15, a first interim financial report, reflecting changes through October 31;
- (3) On or before March 15, a second interim financial report, reflecting changes through January 31; and
- (4) On or before September 15, a final unaudited report for the full prior fiscal year.

Failure to submit accurate and complete financial information as required hereby shall be considered grounds for revocation of the charter, subject to reasonable opportunity on the part of the Charter School to amend and rectify findings of the above reports.

(e) Voter Approved Measures. In the event that the District seeks and receives a voter approved bond or parcel tax, the Charter School shall have no entitlement to any portion of

the funds unless otherwise negotiated in advance. The Charter School agrees that it has no entitlement to funds currently being received, if any, by the District under former parcel tax or bond elections.

(f) Loans. The Charter School agrees that it shall establish a fiscal plan for repayment of any loans received by the Charter School in advance of receipt of such loans. It is agreed that all loans sought by the Charter School shall be authorized in advance by the governing board of the Charter School and shall be the sole responsibility of the Charter School. The District will have no obligation with respect to any loans received by the Charter School to finance its operations, and any such loan shall be the sole responsibility of the Charter School. Upon request, the Charter School will provide information regarding any such loan to the requesting agency pursuant to Education Code section 47604.3. The Charter School shall notify the District, in writing, no later than thirty (30) days prior to entering into any debt whatsoever.

(g) Advance of Funds. The District may in its sole discretion advance funds to the Charter School. In addition, the District may in its sole discretion provide a line of credit for the Charter School.

(h) Cash Flow and Reserve. The Parties agree that the maintenance of a sufficient level of funding reserve is in the best interest of Charter School and its successful operation. Accordingly, Charter School shall maintain reserves of no less than three percent (3%). An explanation of any projected drop in reserves below the three percent (3%) level must be included in the Charter School's assumptions in the adopted budget for the fiscal year.

(i) Third Party Debts and Liabilities. Assets or funds allocated or held by the Charter School for provision of its educational services shall not be used to satisfy any third party debts or liabilities, including those of the Non-Profit. The Charter School will deposit all funds received as soon as practical upon receipt. All staff expense reimbursements will be on checks separate from payroll checks. Upon hiring of staff, a personnel file will be established with all appropriate payroll-related documentation including a federal I-9 form, tax withholding forms, retirement data and use of sick leave.

The Charter School shall also provide a list of students meaningfully interested in enrolling in the Charter School the following school year (including their name, residential address, and telephone number) and the district of residence for each student. (a) Brown Act and Governing Board Meetings. During the term of the Charter, the Charter School agrees to comply with key terms of the Brown Act and shall conduct the meetings of its governing board in accordance with the Brown Act, including making public the agendas of such meetings in advance, as required by the Brown Act. Prior to opening, the Charter School will provide verification by letter to the District that all members of the Governing Board, administrative staff, and any other staff deemed appropriate by the Charter School have participated in Brown Act training. The governing board of the Charter School shall conduct public meetings at such intervals as are necessary to ensure that the board is providing sufficient direction to the Charter School through implementation of effective policies and procedures. The District reserves the right to appoint a representative to the Charter School’s governing board in accordance with the provisions of Education Code section 47604. The Charter School agrees to provide to the District’s representative on the governing board a complete board packet of information being submitted to the board before each meeting, in sufficient time for review. Governing board adopted policies, meeting agendas and minutes shall be maintained and shall be available for public inspection and to the District during site visits (or upon request).

(b) Public Records Act. The Charter School agrees that all of its records that relate in any way to the operation of the Charter School shall be treated as public records subject to the requirements of the Public Records Act (Cal. Gov. Code, §§ 6250 *et seq.*) as well as Education Code section 47604.3.

16. Participation in Special Programs and Services; Transportation.

(a) Sports and Other Activities; Student Insurance. In the event that the Charter School wishes to have its students or staff participate in a program or service offered by the District other than those specified by this Agreement, advance approval and arrangements must be made and confirmed in writing, and expenses for such participation may be charged to the Charter School. The District has sole discretion whether to allow the Charter School to participate in such District programs or services, including California Interscholastic Federation activities. Charter School participation in California Interscholastic Federation (“CIF”) activities

and sports are subject to the rules and regulations of CIF. Charter School students may participate at their own expense in student insurance coverage programs offered by the District.

(b) Transportation. Unless otherwise agreed with the District, the Charter School shall be responsible for any transportation offered to students who enroll in the Charter School.

17. Amendments to Charter. Changes to the Charter deemed to be material amendments may not be made without District consideration and approval. Amendments to the Charter considered to be material changes include, but are not limited to, the following:

- (a) Substantial changes to the educational program (including the addition or deletion of an educational program), mission, or vision;
- (b) Changing to (or adding) a non-classroom-based program, if originally approved as a classroom-based program;
- (c) Proposed changes in enrollment that differ by more than 10 percent +/- of the enrollment originally projected in the charter petition;
- (d) Addition or deletion of grades or grade levels to be served;
- (e) The addition of facilities and/or new sites not previously approved by the District
- (f) Admission preferences;
- (g) Governance structure; and
- (h) Name changes of the Charter School.

18. Amendments to Agreement. Any modification of this Agreement must be in writing and executed by duly authorized representatives of both Parties specifically indicating the intent of the Parties to modify this Agreement. No such modification or amendment shall be effective absent approval or ratification by the governing boards of both Parties.

In the event of changes in laws, the District and the Charter School agree to negotiate modifications to this Agreement as required by applicable law.

19. Dispute Resolution. Any and all disputes arising out of the interpretation or performance of this Agreement shall be subject to the following procedure until a resolution is reached. Once the Parties have exhausted the procedures stated in (a)-(c), below, each may pursue a remedy as entitled to them by law. Notwithstanding the foregoing, if any such dispute concerns facts or circumstances that may be cause for revocation of the Charter, the District shall not be obligated by the terms of this section as a precondition to revocation.

(a) The disputing party shall provide written notice of the dispute to the other party. Thereafter, the Charter School's Academic Director or designee shall meet with the District's Superintendent or designee within thirty (30) days to attempt informal resolution of the dispute.

(b) In the event this informal meeting fails to resolve the dispute, both Parties or their designees, within sixty (60) days counting from the initial informal meeting date, shall identify two governing board members from their respective boards who shall jointly meet with the Charter School's Academic Director or designee and the District's Superintendent or designee and attempt to resolve the dispute.

(c) If this joint meeting fails to resolve the dispute, the District and the Charter School shall enter into non-binding mediation before a mutually agreed upon mediator, with the costs of the non-binding mediation to be split evenly between the Parties. The format of the mediation shall be developed jointly by the District and the Charter School, and shall incorporate informal rules of evidence and procedure, unless both Parties agree otherwise. Notwithstanding the foregoing, the findings or recommendations of the mediator shall be non-binding, unless the governing boards of the Non-Profit and the District jointly agree to bind themselves.

Exercise of any dispute mechanism authorized by this Agreement shall not, in and of itself, constitute a material violation of the charter or otherwise be grounds for revocation.

20. Severability. If any provision or any part of this Agreement is for any reason held to be invalid or unenforceable or contrary to law, the remainder of this Agreement shall not be affected thereby and shall remain valid and fully enforceable.

21. Venue. The Parties agree that any legal action to enforce the terms of this Agreement shall be brought in the appropriate court in Sacramento County, California.

22. Governing Law and Authority. In the event of a conflict between the law and terms of this Agreement, the law shall prevail, and any such conflicting terms shall be severed from this Agreement and nullified. To the extent that this Agreement is inconsistent with any of the terms of the Charter, the terms of this Agreement shall supersede the terms of the Charter. The Parties further agree to jointly make any modification of this Agreement or the Charter needed to effectuate changes in state or federal laws following the execution of this Agreement.
