Department: Facilities Support Services

Recommendation: Approve and adopt Resolution No. 3274 Naming District Representatives for School Facilities Program and Division of State Architect.

Background/Rationale: Sacramento City Unified School District participates in various School Facility Programs offered through the Office of Public School Construction (OPSC), the State Allocation Board (SAB) and submits construction plans to the Division of the State Architect for approval and certification. These programs require the submission of various data, certifications, forms and applications which require the signature of an authorized “District Representative”. Many of the OPSC / SAB programs are funded on a first come / first funded basis; therefore time is of the essence. Facilities Support Services is seeking the approval of five “District Representatives” to ensure the timely filing of funding applications.

Financial Considerations: Potential State School Facility Program funding

LCAP Goal (s): College, Career and Life Ready Graduates; Safe, Emotionally Healthy and Engaged Students; Family and Community Empowerment; Operational Excellence
