Recommendation:
Approve the proposed roster of Comprehensive Local Needs Assessment (CLNA) Board Members.

Background/Rationale:
The California Department of Education plan for Carl D. Perkins Career Technical Education legislation of 2018 requires Lead Education Agencies who receive Perkins funding to hold an annual Comprehensive Local Needs Assessment. One of the requirements is that the school board approve a roster of stakeholders to site on the board. These stakeholders were chosen intentionally to fill the required roles of the CLNA and have existing relationships and investments with SCUSD Career Technical Education programs. The CLNA will review district CTE student data and approve the goals required for the Perkins grant application due on May 1, 2022.

Financial Considerations:
The compliance measure for Perkins funding is typically estimated at \$450,000 annually. Perkins funding is also applied towards a required match for other grants such as the Career Technical Education Incentive Grant (CTEIG) and the K12 Strong Workforce Program (SWP).

LCAP Goal(s): Goal 1 – College, Career, and Life Readiness
