Recommendation: The Board can make recommendations to the drafts of the 2025-26 LCAPs for each of the locally-funded or “dependent” charters. Final approval from the Board is scheduled for the June 25, 2025, Board of Education meeting.

Background/Rationale: The California Department of Education requires that all Local Education Agencies (LEAs) complete and approve a Local Control Accountability Plan. As independent LEAs, Bowling Green Elementary, George Washington Carver School of Arts and Sciences, New Joseph Bonnheim Community Charter, Sacramento New Technology High School, and The Met must complete their own LCAP. The SCUSD board is the ultimate governing board of these LEAs and must approve those LCAPs.

The process of creating an LCAP begins with a needs assessment to understand what students most need. The school creates goals with linked metrics and action items. Expenditures are connected to those actions. Along the way, the school leaders share the plan in progress and elicits feedback from a range of educational partners. At this point in the process, the attached documents are still in draft form. Prior to final approval, they will be finalized and recommended for approval by their local steering committees.

Financial Considerations: The LCAP is a guide to charter school's budget priorities. For 2025-26, the LCAPs have been amended to include requirements for spending the charter school's remaining LREBG grant funds.

LCAP Goal(s): NA
