9 . What was the negotiated percentage increase approved? For example, if the increase in "Year 1" was for less than a full year, what is the annualized percentage of that increase for "Year 1"?

The negotiated percentage increase was 2.5% effective July 1, 2015 and additional 2.5% effective January 1, 2016.

10 . Were any additional steps, columns, or range added to the schedule? (If yes, please explain.)

No

11 . Please include comments and explanations as necessary. (If more room is necessary, please attach an additional sheet.)

Commencing with the 2016-17 school year, SCTA members will participate in collaboration time by working extra 12 minutes every day. The 2.5% effective January 1, 2016 is in exchange for collaboration time.

12 . Does this bargaining unit have a negotiated cap for Health & Welfare Yes | No

If yes, please describe the cap amount.

B. Proposed Negotiated Changes in Noncompensation Items (i.e., class size adjustments, staff development days, teacher prep time, classified staffing ratios, etc.)

SCUSD is implementing K-3 CSR 24:1 for FY 2016-17.

The parties agree to add additional minutes to the instructional day for collaborative time.

C. What are the specific impacts (positive or negative) on instructional and support programs accommodate the settlement? Include the impact of changes such as staff reductions or increases, program reductions or increases, elimination or expansion of other services or programs (i.e., counselors, librarians, custodial staff, etc.)

Starting FY 2016-17, the District will have smaller class size by 4 or 5 students in grades K-3.

Starting FY 2016-17, SCTA members will participate in collaborative time.

This certainly will have a positive impact on our instructional program.

D. What contingency language is included in the proposed agreement (e.g., reopeners, etc.)?

There are not reopeners.
Structural Collaboration Time will start for 2016-17.

**E. Will this agreement create, or decrease deficit financing in the current or subsequent year(s)?
"Deficit Financing" is defined to exist when a fund's expenditures and other financing uses exceed its revenue and other financing sources in a given year. If yes, explain the amounts and justification for doing so.**

No in the current or 2016-17, but yes in 2017-18.

F. Identify other major provisions that do not directly affect the district's costs, such as binding arbitrations, grievance procedures, etc.

Resolves Grievance for Counselors and SCTA withdraws Unfair Labor Practice.

G. Source of Funding for Proposed Agreement

1. Current Year

The majority of the funding source is general fund unrestricted, but it will also affect categorical funds, charter fund, child development, adult education since SCTA members work in all schools.
The ongoing cost for 2016-17 for collaboration time will be covered with Supplemental and Concentration Funds.

2. If this is a single year agreement, how will the ongoing cost of the proposed agreement be funded in subsequent years (i.e., what will allow the district to afford this contract)?

It is included in the multi-year projections.

3. If this is a multiyear agreement, what is the source of funding, including assumptions used, to fund these obligations in subsequent years? (Remember to include compounding effects in meeting obligations.)

The total increase of this agreement is 5% ongoing for 2016-17 and we plan to cover with part of LCFF funds. The projected increase is included in the Multi Year Projection.

Tentative Agreement
Between
Classified Supervisors Association
And
Sacramento City Unified School District

This Tentative Agreement ("TA") is made and entered into between Sacramento City Unified School District ("District") and the Classified Supervisors Association ("CSA"), collectively referred to herein as the "parties."

Except as expressly provided herein, the current collective bargaining agreement between the parties ("CBA"), including all terms and conditions of the parties' current collective bargaining agreement not otherwise modified by this Tentative Agreement, shall be continued without modification through June 30, 2017.

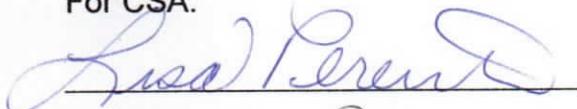

Article 6 - Compensation

For the 2015-2016 school year, the CSA salary schedules will increase by an additional two and one-half percent (2.5%) effective July 1, 2015. Should another bargaining unit receive an unconditional increase to the salary schedule greater than two and one-half percent (2.5%), then the CSA salary schedules will be increased by that same unconditional amount.

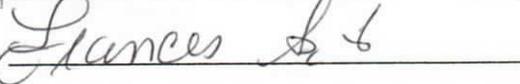

The current contract will remain in effect beyond its expiration date, in the event that a successor contract cannot be agreed to.

This tentative agreement shall not be effective until and unless it has been ratified by CSA and approved by the District's Board of Education. The CSA and District bargaining team acknowledge that by their signatures below they are entering into a good faith commitment to support this Agreement and take whatever actions are necessary to obtain the approval of the parties they represent.

TENTATIVE AGREEMENT
Between
SACRAMENTO CITY UNIFIED SCHOOL DISTRICT
And
SACRAMENTO CITY TEACHERS ASSOCIATION

In order to resolve outstanding issues related to the 2015-16 negotiations, the creation of collaborative time, the counselor arbitration, and SCTA's unfair labor practice charge against the District, "UPC No. SA-CE 2835-E", the Sacramento City Unified School District (SCUSD) and the Sacramento City Teachers Association (SCTA) hereby agree as follows:

1. Article 12: Compensation

1a. Effective July 1, 2015, SCTA salary schedules and those pay categories tied or linked to salary schedules shall be increased by an additional 2.5 percent.

1b. Effective January 1, 2016, SCTA salary schedules and those pay categories tied or linked to salary schedules shall be increased by an additional 2.5 percent.

2. Collaborative Time

The additional 2.5% increase set forth in 1(b) above is the result of a conditional agreement reached by the parties to provide collaborative time for SCTA members, which has been a long-standing and common goal of the parties. Collaborative time is time spent in professional learning activities that focus on a school site's Single Plan for Student Achievement plan and/or the District Strategic Plan and related initiatives. This may be done in department/grade level teams, and/or special populations of certificated unit employees, or as whole-staff activities. Typically, team meetings will focus on improving student achievement through the examination of student work, analyzing student/school data, sharing methodologies, planning and developing curriculum and assessments. The time is intended to be for group collaboration.

2a. The Parties agree to incorporate ongoing collaborative time, beginning in the 2016-17 school year, to allow regular and defined time for educators to collaborate on approaches to improving student achievement and common issues with their colleagues.

2b. In order to create the collaborative time, the regular instructional day will be increased 12 minutes per day in order to create 1 hour of collaborative time each week.

2c. On each regular instructional day that falls on a Thursday, students will be released 1 hour earlier than the ending time on a regular instructional day on the other days of the week.

2d. Collaborative time shall be structured as follows:

1. On the first Thursday of each month a staff meeting, not to exceed 60 minutes, will be held.

2. On the second, third, and fourth Thursdays of each month, unit members will be provided 60 minutes of collaborative time, immediately following the conclusion of the instructional day with students, on those Thursdays when there is a regular instructional day.

3. On the fifth Thursday of each month (if occurring), the regular work day for unit members shall conclude fifteen minutes after the end of the instructional day for students. If voluntary professional learning opportunities are provided during the fifth Thursday of a month, unit members will be paid at the volunteer rate. If mandatory professional development training is required the fifth Thursday of a month, educators will be paid at their regular contractual daily rate.

4. The eighteen paid regular hours of common planning time shall be incorporated into the collaborative time, as provided for above. Furthermore, the additional 8 hours annually required to provide for collaborative time on the fourth Thursday of the month, shall be paid at the regular contracted daily rate and incorporated into the salary schedule.

2e. For eight hour unit members, the current practice regarding Common Planning Time (CPT) shall remain in effect until a mutually-agreed upon alternative has been negotiated.

2f. The Parties agree that the increase in instructional minutes on a daily basis to allow for collaborative time will result in the need to modify the terms and conditions of regarding maximum teachers' instructional day set forth in Section 5.7 of the collective bargaining agreement. The Parties also agree that the students' instructional minutes must meet the state requirements.

3. Resolution of Grievance #1 – Counselor Arbitration (American Arbitration Association Case No. 01-15-0005-6900)

Without any admission or finding of wrongdoing or liability by either party for any purpose, the parties agree to settle and resolve the dispute related to the counselor grievance/arbitration in the following manner:

3a. Those counselors who were assigned to a middle or high school site which was staffed at a level below the allocation set forth in the June 9, 2014 settlement between the parties shall be paid \$90 per day for each instructional day of work beginning on July 1,

2014 through June 30, 2016.

3b. The Parties agree to consider the development of an alternative method of allocation that may differentiate the ratio of students to counselors in high schools versus middle schools. As part of this negotiation, the District and the Association agree to also consider the allocation of counselors to those middle and high schools where no counselor hours are currently assigned.

3c. The District and the Association further recognize that there may be a difference in interpretation regarding the calculation of the number of counselors at each individual work site as set forth in the June 9, 2014 agreement, which remains in effect. The parties agree to make reasonable efforts to reach a resolution to this difference prior to commencement of the 2016-17 school year, as well as considerations raised in 3(b) above. The parties agree that if an agreement cannot be reached regarding the calculation or if an alternative method is not agreed to in its place, the matter may be resubmitted to a mutually agreed upon neutral arbitrator for a final determination of the calculation method, but expect that this issue will become moot as the parties negotiate an alternative allocation method.

3d. No later than one week after the execution of this Agreement, the Association shall notify the American Arbitration Association that Case No. 01-15-0005-6900 and the corresponding Grievance have been settled and therefore the Case should be dismissed.

4. **SCTA's Withdrawal and Dismissal of UPC No. SA-CE 2835-E Unfair Labor Practice Charge, with Prejudice**

Upon ratification of this Tentative Agreement, without any admissions or findings of any wrongdoing, violation or misinterpretation of the CBA by either party, SCTA expressly agrees to withdraw and dismiss its unfair labor practice charge against the District, UPC No. SA-CE 2835-E., with prejudice.

5. **Extension of Collective Bargaining Agreement**

This agreement completes and settles all negotiations for reopeners for the 2015-2016 year. The Parties intend to negotiate a successor agreement, effective July 1, 2016, in good faith. With the current agreement set to expire on June 30, 2016, the parties agree to extend the contract through December 1, 2016, in order to allow the parties some time to negotiate a successor agreement. The parties agree to begin negotiations for the successor agreement shortly after the commencement of the 2016-17 school year, with a goal of reaching an agreement by December 1, 2016. In the event that there is not an agreement by December 1, 2016, the contract may be extended by mutual agreement.

This tentative agreement shall not be effective until and unless it has been ratified by SCTA members and approved by the District's Board of Education. The Parties acknowledge that by their signatures below they are entering into a good faith commitment to support this Agreement and take whatever actions are necessary to obtain the approval of the parties they represent.
