Recommendation: Adopt the proposed 2013-14 Budget for all funds as presented at the June 13, 2013 Board Meeting.

Background/Rationale: At the June 13, 2013 Board meeting, a public hearing was conducted on the 2013-14 Budget with Board action on June 20th. By June 30th of each year, the school district must adopt a budget for all funds for the ensuing fiscal year. Prior to adoption of the budget, the Board must conduct a public hearing. This is in accordance with state prescribed procedures for single budget adoption, which require that the budget be adopted and submitted to the County Office of Education on state required forms by June 30th. The 2013-14 Budget establishes expenditure authority for the district to conduct business in the coming year.

The proposed 2013-14 budget is based on the May Revised Budget that was presented by the Governor on May 14, 2013, but incorporates recommendations from the Sacramento County Office of Education. While the Governor's May Revised Budget is a very significant event in the process, the final impact to the district will not be known until the State budget is signed. School districts have 45 days after the final State budget is signed to amend and resubmit their budget. The Governor has proposed a new funding model to allocate state aid – the Local Control Funding Formula (LCFF) – that replaces the revenue limits and most categorical programs. A surprising development in the May's Revision is new the LCFF accountability requirements that include annual financial/compliance audits and maintenance of effort spending provisions. These new developments are a critical piece of the 2013-14 Adopted Budget that significantly adds to the uncertainty surrounding our funding for next year.

The complete set of state required forms is quite voluminous and is available on the district's website at: <http://www.scusd.edu/board-meetings>.

Financial Considerations: The proposed budget establishes expenditure authority for all funds.

I. OVERVIEW/HISTORY:

Based upon the information received to date, we are requesting the Board to adopt the budget as proposed at the June 13, 2013 Board meeting. As stated at the June 13, 2013 Board meeting, the district intends to review the impact of the signed finance bill and will recommend a budget revision at the July 18th Board meeting.

II. DRIVING GOVERNANCE:

- Education Code section 42127 requires the governing board of each school district to adopt a budget on or before July 1. The budget to be adopted shall be prepared in accordance with Education Code section 42126. The adopted budget shall be submitted to the County Office of Education. The County Office of Education determines if the district will be able to meet its financial obligations during the fiscal year and ensures a financial plan that will enable the district to satisfy its multi-year financial commitments.
