Brief Overview

- Public Hearing of the Local Control Accountability Plan – June 5, 2025
- Submission of the District's California School Dashboard Local Indicators
- Update Regarding LCAP Federal Addendum

Submission of the district's California School Dashboard Local Indicators

- The California Department of Education opened the California School Dashboard Local Indicator entry system on June 2nd
- Local Indicators consisting of overviews for the following areas (included in the Board packet) were entered in the system with the collaborative leadership and support of College and Career Readiness, State and Federal, Family and Community Empowerment (FACE), and Parent Teacher Home Visit Project Office
 - Basic Services
 - School Climate
 - Implementation of State Standards
 - Parent Engagement
 - Course Access
- Similar to previous years, the state's requirement is that each Local Indicator be submitted as the condition for the requirement being met

Update of the LCAP Federal Addendum

- The Local Control Accountability Plan (LCAP) Federal Addendum explains how our district will utilize federal funds to supplement priorities that are already funded with state funds.
- This addendum provides a detailed account of our strategy for allocating these federal funds and how they will be used to support our district's goals.
- This addendum is scheduled to be submitted with the Consolidated Application.
