

Sacramento City Unified School District
Board of Education Meeting

Comment:	I attended the meeting at KCIA last night and was extremely disappointed to hear our superintendent and member Garcia demonstrate such a lack of commitment to the strong IB program at Kit Carson. Understaffing Kit Carson means effectively ending this program. Please listen to the KCIA staff and administrators as they explain to you why the current staffing levels are appropriate and why they must be maintained. KCIA remains a high-poverty school, and this board's stated commitment to equity is unconvincing if you permit a successful, thriving program to be gutted and destroy in order to save \$360,000. Thank you.
