Vacancy Requisitions in Escape Online

A Vacancy Requisition form, indicating the specific requirements for the position, must be completed by the site administrator or department manager to authorize Human Resources Services to fill any vacancy. Whether the vacancy is a newly authorized position or an existing position that has occurred as a result of an employee transfer, termination, retirement, or reassignment, the Vacancy Requisition form establishes the vacancy and begins the recruitment process. The Vacancy Requisition form can be printed from the Escape Online system once the position is authorized by Budget Services. The initiator completes the form and then forwards the form to Human Resource Services.

Per Diem Requisition Notes

Tips for Successful Per Diem Requisition Processing

- Complete and accurate Per Diem Requisitions will prevent delays in processing them.
- Submit Per Diem Requisitions as soon as possible.
- **Do not work any new employee without being cleared by Human Resources.**
- Do not attach Per Diem Requisitions to a Time Report; this will cause delays in the process. Time Reports go directly to Payroll Services; Per Diem Requisitions go directly to Human Resource Services.
- Human Resource Services will only process Per Diem Requisitions with stipends that are listed on a salary schedule or with a copy of the corresponding grant.
- The Time Report Location on the Per Diem Requisition needs to be filled in if your location **is not** the same location that will be submitting the Time Report. The Technician who has the site of the Time Report Location will process the Per Diem Requisition. Please contact Technician with any questions.

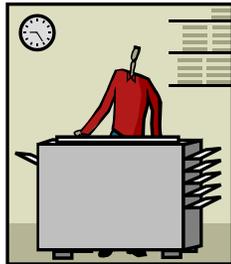

- Match your Per Diem Requisitions with your Time Reports to verify that you have submitted Per Diem Requisitions for all the employees that you are submitting time for. Be sure that the time submitted is within the confines of the time specified on the Per Diem Requisition.

- At the end of school year, Time Reports are submitted to Payroll Services for employees that do not have Per Diem Requisitions. The two most common events that happen are: (1) There may be a requisition online, but it was only up to a certain time, and the employee worked beyond the time indicated on the requisition; or (2) A requisition was not submitted at all. Human Resource Services is not able to rectify this because the sites are closed for the summer; therefore, the employees do not get paid. This happens to be an ongoing problem every year, so close attention to this problem will alleviate the frustration of the employee not getting paid in a timely manner.

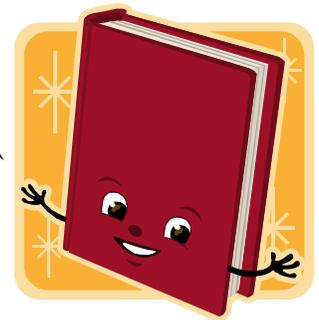

- If you receive a Per Diem Requisition from Budget Services with a budget code change, use that requisition to match the Time Report against when you are working on the Time Report. The Time Report will then have the correct budget code on it, and Human Resource Services and Payroll Services will be able to more easily identify it.
- Review the information below the employee's name on the Time Report. That information should match what you are going to pay that employee for, i.e., TEACHPSR – Per Session Rate; CERTHR – Certificated Hourly Rate; XHRSR – Extra Classified Hours; MORNR – Morning Duty.
- When you are going to process a new employee, give them a copy of the requisition to take to the Serna Center, not an original. The original should be sent to Human Resource Services for processing.
- New employees should be reflected on a separate requisition with a note indicating, “**New Employee;**” include address, phone, and social security number.
- A Position Title on the Per Diem Requisition refers to what position the site is going to pay the employee as. **It must match a position on one of our district's current salary schedules.** Please refer to the Internet under Employment/Salary Schedules for current salary schedules. The “Reason for Request” is the description of what the employee will actually be doing.

- Budget Codes are **required** on Per Diem Requisitions. Contact your assigned technician in Budget Services for assistance with budget codes.
- Make sure all **new employees** have their application online before coming to the Serna Center for processing.
- Do not work any employee before the employee is cleared by Human Resource Services.
- Even though they may have done fingerprinting already as a Volunteer, employees need to come in for fingerprinting and process. Our District requires an applicant to be fingerprinted again if they have not worked in six months.
- Please refer to the Training Manual and make notes in it. It is a great tool to refer to!
