SUBJECT: 2014-15 ENROLLMENT AND ATTENDANCE REPORTS **2014-15 NO. BS-22**

TO: Middle and High School Principals
Attendance Technicians and High School Registrars

DATE: August 28, 2014

PREPARED BY: Michael Smith, Interim Director **DEPARTMENT:** Budget Services

REVIEWED BY: Gerardo Castillo, CPA **APPROVED:** 
Interim Chief Business Officer

The first two sections of this memo address the reporting of enrollment data for the first school month of the 2014-15 school year. The third section outlines the process for reporting monthly enrollment/attendance data during the school year.

I. Daily for the First Two Weeks of School (September 2 - 12, 2014):

- A. Complete a **Daily Enrollment Count** (attached) every day for the first two weeks of school. For your convenience, electronic versions of the form will be e-mailed to the Principals, Office Managers and Attendance Technicians at each school site. Additional copies may be obtained by contacting Meuy Saechin at 643-7867 or Merilee Carrasco at 643-7869.
- This is a warm body count – only count students attending school on the corresponding date.
 - Teachers must still enter daily attendance into Infinite Campus.
- B. Forward the completed forms via e-mail every day during the first two weeks of school to your Area Assistant Superintendent **and** to both Meuy Saechin and Merilee Carrasco.

No-Shows:

Students absent on the first and second day of school without proper absence verification (note, phone call, etc.) must be inactivated at your school site. This is accomplished in Infinite Campus.

- See ***Revised* No Show Procedure Document** (Attached).

II. Daily for the third and fourth weeks of school:

- A. Please be certain that all attendance and enrollment data has been entered and updated daily, no later than 5:00 p.m. This data is analyzed daily and used to review class size, student placement needs and staffing considerations. If the data is inaccurate or not updated daily, staff may not be able to correctly respond to you and your students' needs.
- B. It is imperative that you ensure all teachers have submitted attendance daily. This can be verified by running the **Classroom Monitor** daily. This function is located under the *Index =>Attendance* section of Infinite Campus.

III. Reporting Monthly Attendance:

- A. Great news! Sites are no longer required to print and submit their **Monthly Accumulative Attendance Report (MAAR)**.
- B. Be sure to check for new registrations, assign them to classes, and enter any withdrawals daily by 5:00 p.m. so that the district has the most accurate data for student placements and staffing. *The district cannot accurately adjust for under/over enrolled classes or provide the correct staffing without this critical data.*
- C. Input of attendance by Teachers into Infinite Campus fulfills the verification requirement. **Therefore; paper signature is not required of the Teachers – same as last year.**
- D. **Single Period Attendance Report** is recommended to be run daily to find students marked absent in all but one period. Verify the accuracy to ensure attendance is not overstated. This report is located under *Index =>CA State Reporting*.

If you have any questions about running reports, please contact your Technical Assessment Specialist. For questions on your school enrollment counts, please call Meuy Saechin at 643-7867 or Merilee Carrasco at 643-7869.
