## A Note from the Budget Department . . .

The Budget Services Department continues to offer monthly Escape Online training. The schedule is posted on the Budget Services web page <http://www.scusd.edu/budget-services>. Call the Budget Office at 643- 9402 to sign up. If you need a user I.D, contact the Help Desk at 643- 9445.

In addition to this training the STARR Program is also available to you. This program provides staff to come to your site to offer assistance and training with personnel, employee compensation, employee benefits, finance, budgeting, business services/purchasing, accounting, and technology. If you are interested in the STARR Program, please call the Business Services Office at 643- 9055.

REMINDER: Equipment purchases under \$500 will be coded as a supply item -- usually 4310 instructional or 4320 non instructional. Object Code 4410 is used for equipment between \$500 and \$4,999 (tax included). Object 6490 is used for equipment purchases over \$5,000 and Object 6510 is used for equipment replacement over \$5,000.

All Budget staff is committed to returning phone calls within 24 hours. We encourage staff to use alternate messages on their voice mail for short absences during the day with an approximate time of return.

Don't hesitate to call your fund specialist for assistance and have a great year!

## *SACS Budget Code -- 31 Digit Structure*

**AA - BBBB - C - DDDD - EE - FFFF - GGGG - HHH - IIII - JJJ**

- A. Fund\* - This two-digit code establishes a fiscal and accounting entity. Certain funds are required when designated activities are conducted. Examples -- Adult Education Fund and Child Development Fund.
- B. Resource\* - This four digit code is used to classify revenues and resulting expenditures in accordance with restrictions or special reporting requirements. This field will tell you if it is NCLB, SIP, LCFF, etc. dollars.
- C. Year\* - This one-digit code identifies the project year. Starting in 09/10 the current fiscal year digit will remain "0".
- D. Object\* - This four digit code indicates the type of purchase or service.
- E. Unit - This two digit code names the individual district "bargaining" unit.
- F. Goal\* - This four-digit code identifies which student population receives this service -- regular classes, special education classes, vocational education, adult education, etc. Goals are usually instructional, community services and/or child care services. The code "0000" is used for undistributed services.
- G. Function\* - This four-digit code describes activities or services performed in order to accomplish the goal. Function will break out instruction, instruction related services, pupil services, community services, general administration and facilities services, etc.
- H. Program - This three-digit code indicates district assigned numbers identifying departments and budget authority. On the Escape Finance System, this area of numbers will roll up so program managers can view multiple "departments" together under their management.
- I. Location - This four-digit code indicates the actual (assigned) location of an activity. Both school sites and central offices/departments use this code to identify local budget control.
- J. Project - This three-digit code indicates district assigned numbers identifying capital construction projects, Bond funded projects and state funded (modernization) projects.

# GOAL CODES

**GOAL CODE** EXAMPLE AA-BBBB-C-DDDD-EE-FFFF-GGGG-HHH-III-JJJ

**GOAL CODE SECTION** - This four-digit Goal Code identifies which student population receives this service -- regular classes, special education classes, vocational education, adult education, etc. Goals are usually instructional, community services and/or child care services. Instructional Goals are listed between 0001 and 7999. Non-instructional goals are listed in the 9000 series. Expenditures that are not directly assigned to a goal are coded to Goal 0000. Code “0000” is also used for undistributed services.

**GOAL CODE SECTION** - This four-digit Goal Code identifies which student population receives this service -- regular classes, special education classes, vocational education, adult education, etc. Goals are usually instructional, community services and/or child care services. Instructional Goals are listed between 0001 and 7999. Non-instructional goals are listed in the 9000 series. Expenditures that are not directly assigned to a goal are coded to Goal 0000. Code “0000” is also used for undistributed services.
