### School Description

**Our mission:** Building Scholars with Positive Character and Social-Emotional Learning Competencies

**Our achievement goals:** A minimum of 80% of students assessed in Grades K through 3rd achieving grade level proficiency by the end of the academic school year.

We monitor progress by reviewing data through curriculum embedded assessments, formative and summative assessments aligned to Common Core State Standards (CCSS) and school climate data (such as parent events, citation numbers and attendance).

**To achieve our mission and goal we offer the following to the parents and students of our community:**

High-quality direct instruction aligned to the CCSS for all students in Language Arts, Math and English Language Development. K-3 teachers participate in professional learning collaborative with the County Office of Education in writing development and provide in-class demonstration lessons to their grade level colleagues throughout the school year.

**Dual Language Spanish Immersion:** Meeting the criteria set forth by Proposition 227, we offer students the opportunity to participate in a research-driven program that teaches students to become bilingual/bi-literate in English and Spanish. This program is designed for students who will participate in the program from kindergarten through the 3rd grade.

**Boys & Girls Club After School Program:** The after school literacy-based program is available for all our students. BGC allocates time for assistance on homework and works to improve the literacy for all students in the program. The program operates from 2:57 to 6 p.m. Monday, Tuesday, Wednesday and Friday, and from 1:57 to 6 p.m. on Thursday.

**Enthusiasm and commitment:** Our teachers meet weekly in grade level teams during Collaborative Thursdays to review instruction and learning practices, plan and design instruction to meet the needs of all student and review student progress and data. All teachers meet with parents to establish goals for students and communicate with parents on a regular basis. Teachers also provide additional learning time to students through before-/after-school intervention and/or Saturday Academy programs.

**We have following programs:** Dual Language Immersion (Spanish) Program, Title I, School Improvement, Head Start Preschool, and Special Education. Parents are encouraged and welcomed to visit and participate in supporting student learning in and out of the classroom and school.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Textbooks and instructional materials are reviewed and then piloted across the district. Subsequent adoption by the Board of Education is consistent with the cycle of textbook approval by the State, California School Board. Textbooks are chosen for their alignment with California Content Standards, California Frameworks, and appropriateness for Sacramento City Unified School District students. Textbook sufficiency data is collected annually.

### School Facility Conditions and Planned Improvements (Most Recent Year)

The main campus was built in 1963. This school has 13 permanent classrooms which include a multipurpose room, a library, and an administrative building. The school also has 21 portables. 3 portables classrooms were constructed in 1998 for class size reduction. During the 2002 and 2003 modernization, renovations and upgrades were made in the following areas: exterior, plumbing, HVAC, and miscellaneous upgrades.

The district takes great efforts to ensure that all schools are clean, safe, and functional. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The district governing board has adopted cleaning standards for all the schools in the district. A summary of these standards is available at the school office, or at the district operations office. The principal works directly with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

The State Legislature established the Deferred Maintenance Fund (DMF) in 1980 to assist districts in maintaining facilities and sites. The District has participated in the Deferred Maintenance Program since its inception. The program requires both the local district and the State of California to share equally in the cost of major deferred maintenance projects, with the maximum contribution from the State limited to approximately one-half of one percent of the District's General Fund and Adult Education Fund operating budgets. For fiscal years 2008-09 through 2012-13, the Deferred Maintenance Program has been included in the State's Tier III Flexibility Program. Therefore, DMF funds received by the District are deposited in the General Fund, and are unrestricted. Due to state budget cuts for 2010-11 these unrestricted funds have not been designated to deferred maintenance purposes. The funds were used as part of the Tier III recommendations approved by the Board on the May 6, 2010 Board Meeting.

**B. Pupil Outcomes**

**State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

**2016-17 CAASPP Results for All Students**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	15-16	16-17	15-16	16-17	15-16	16-17
<b>ELA</b>	30	33	39	39	48	48
<b>Math</b>	38	50	30	31	36	37

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2016-17 CAASPP Assessment Results - English Language Arts (ELA)

<b>Students Receiving Migrant Education Services</b>	--	--	--	--
<b>Foster Youth</b>	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### **C. Engagement**

#### **State Priority: Parental Involvement**

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

#### **Opportunities for Parental Involvement (School Year 2017-18)**

##### **Volunteer Program**

Parents, adult family members and community are encouraged to participate in school-wide activities and also in the classroom. The school recognizes that parents play an important role in motivating and supporting their children's academic success. There are many opportunities for adults to volunteer at school, such as School Site Council, English Learner Advisory Committee, Parent-Teacher Organization, classroom tutors, mentors, readers and library volunteers. Volunteers who come on a regular basis must have a copy of a negative TB test in the office. Finger printing is also required before a volunteer assignment can be made. Please contact the Office Manager for a volunteer packet.

##### **Parent Leadership Opportunities**

Kemble parents are leaders! We encourage you to get involved in our school committees. If you are interested in participating in any of these leadership opportunities, please see the site administration.

##### **School Site Council (SSC)**

The School Site Council meets throughout the year. It is composed of an equal number of parents and staff members. The School Site Council is responsible for the development, monitoring, and evaluation of categorical programs, budgets and plans. The agendas for the School Site Council meetings are posted in the office three days prior to our meetings. Parents are always welcome to visit our meetings.

##### **English Learner Advisory Council (ELAC)**

Parents of English Language Learners are encouraged to join our English Language Advisory Committee. We seek parent input on programs and budget for our English Language Learner program. If you are interested in serving on this committee, contact the Edward Kemble office and we will put you in touch with the right person.

##### **Parent-Teacher Organization (P.T.O.)**

The Edward Kemble P.T.O. was organized during the latter part of the 2016-2017 school year. The purpose of the P.T.O. at Kemble is to strengthen the relationship between the home and school, so that parents and teachers may cooperate for the success in the education of children at our school.

#### Parent Resource Center

A full time parent resource center is available for parents to engage in classroom volunteer support, attend parenting classes or seek additional ways to help their child. We also offer computers, listings for job openings and a parent liaison available for parent needs.

#### Family-Teacher Academic Team Meetings (FTAT)

Parents have the opportunity to participate first-hand in training opportunities presented by classroom teachers on how to work with your child at home to support the learning in the classroom. Teachers meet with parents on a regular basis and at least 3 times per year to provide information on grade level expectations, strategies for developing student success in content areas (English Language Arts and Mathematics), and activities to reinforce the learning in the home.

For more information, contact Mary-Alvarez Jett, Ed.D., Principal at (916) 395-4550.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college career and life, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional program that is focused on the ELA and math Common Core State Standards, the Next Generation Science Standards, English Language Learners, Balanced Literacy and Instructional Strategies for Addressing the Needs of Diverse Learners. These areas of focus were derived from needs assessments coupled with the analysis of student learning of specific content and that is ongoing with follow-up opportunities, models effective practices, and uses assessments to guide and monitor progress. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our strategic plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

These learning experiences, which are offered during the school day and after-school are supported with on-site coaching, are complemented with the required collaborative time built into the school day on Thursdays, which is designated for teachers to engage in collaborative professional learning at their respective school sites. Such communities of practices, under the leadership and guidance of site administrators, afford our teachers the opportunity to deepen their content knowledge, strengthen their instructional repertoire, improve their assessment strategies, and foster a shared sense of responsibility. As a result, every teacher will help to promote and nurture a community of learners in which the individual school staff is not only enriched, but the district as a whole is enhanced.

### Types of Services Funded

Each district school receives categorical funding to provide supplemental services to assist students reach grade level proficiency and above, master grade level content standards and successfully graduate from high school. Services include:

- Class Size Reduction
- Spanish Immersion Program
- Extended Day & Saturday School
- Opportunities for teachers to articulate
- Parent Education/Family Nights
- Parent Classes
- Home Visits and Family-Teacher Academic Team (FTAT) Meetings
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Gifted and Talented Education (GATE) Testing
- Special Education
- Professional Development for staff
- Support Staff
- After School Program - Boys & Girls Club
- Running Club

Please check with your child's principal to receive information regarding the services that are specific to your child's school.

**DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

**Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
