School Description

The Cesar E. Chavez Intermediate staff is dedicated to providing the best education for your child. When instruction meets student’s needs, all students will achieve academic success, become effective communicators, and develop confidence in their learning.

The vision of Cesar Chavez Intermediate School is to educate well-rounded and successful students who are ready for junior high. They will meet these challenges through their enthusiasm for learning and their ability to work cooperatively while developing communication skills.

Mission: All students will achieve academic success while becoming effective communicators and developing confidence in their learning. Our mission will be achieved by working collaboratively in partnership with parents to ensure all students acquire the knowledge, skills, and qualities required to be lifelong learners and successful in our diverse society. Our staff is committed to increasing student learning by engaging all students, providing differentiated rigorous instruction, and the use of technology and research based best practices.

Cesar Chavez Intermediate School is located in the Meadowview Community (south east Sacramento). The school serves a culturally and linguistically diverse population.

To ensure continuous progress and academic success, Chavez parents and teachers work together to provide the best possible education for the children. At Chavez School, we work hard on the factors we can control and never make excuses. We demand excellence and have achieved growth in student achievement year after year, and we will continue working diligently.

We offer many special instructional programs that help our students be successful, such as our Dual Language Enrichment Program (DLEP) in Spanish and English. We offer our DLEP students the opportunity to become literate in two languages, and by the time they leave our school, they are bi-literate and bilingual in Spanish and English. We also offer School Wide Support (SWS), a program designed to provide school-wide differentiated instruction in English Language Arts (ELA). During this half hour class, students receive accelerated remediation or advanced learning, depending on their needs. To reward attendance and achievement, we hold attendance and academic award ceremonies. We have seen growth in our school from the previous year.

We also plan and ensure that students have opportunities for extra curricular activities. Each year we send our sixth graders to Sierra Outdoor, which is an outdoor environmental education center.

Target Excellence holds the after school program (Chavez Kids) that provides physical education activities, recreational arts and crafts and help with homework. To encourage student leadership, teacher advisors lead Student Council and Leadership groups.

On March 31, 2004, Chavez Intermediate School made history. Chavez School received the Sacramento Workplace Excellence Leader (SWEL) award. We are the only school in the county and district to receive this award and were recognized by the Sacramento City Unified School Board as a model school in the district. It’s a school where every staff member collaborates to do what’s best for kids and for student achievement. In 2006, we earned our first Gold award for student achievement. When our school was opened four years ago, our team set a goal to one day achieve the levels of student performance to apply for and receive a California Distinguished School Award. We are also striving for the Exemplary Title I award. We have dedicated ourselves to making this happen and are on our way to seeing our goal achieved. Our school motto is ¡Sí Se Puede! (Yes, we can!).
About the SARC
By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### A. Conditions of Learning

#### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

* Note: “Misassignments” refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.
Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

The district instructional material evaluation committee, consisted of members representing teachers, administrators, other staff, students, parents/guardians, and community, ensures that the selected textbooks, technology-based materials and other educational materials effectively support the district’s adopted courses of study and meet current curricular goals and California Content Standards. Teachers, students, parents/guardians and community members have the opportunity to review and provide input about the instructional materials being considered for adoption. Recommendations for the adoption and/or withdrawal of instructional materials by the instructional material evaluation committee are presented to the Board by the Superintendent or designee and include documentation supporting the recommendation. In some instances, the considered textbooks and/or instructional materials are piloted for a period of time before being recommended for adoption to the Board of Education.

School Facility Conditions and Planned Improvements (Most Recent Year)

Cesar E. Chavez Elementary School, built in 2001, received Facility Inspection Tool (FIT) overall repair rating score of “good” from the most recent facility inspection in May 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district’s 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquee, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district’s wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

<table>
<thead>
<tr>
<th>Subject</th>
<th>2017-18 CAASPP Results for All Students</th>
<th>Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)</th>
</tr>
</thead>
<tbody>
<tr>
<td>ELA</td>
<td>16-17</td>
<td>17-18</td>
</tr>
<tr>
<td></td>
<td>25.0</td>
<td>29.0</td>
</tr>
<tr>
<td>Math</td>
<td>26.0</td>
<td>29.0</td>
</tr>
</tbody>
</table>

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education.

</tbody>
</table>

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

- Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.
- Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.
C. Engagement

State Priority: Parental Involvement
The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):
• Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)
Through ELAC, SSC, PTO, and parent evening meetings, they provide input and dialogue to increase student achievement, develop the school plan, and ensure fiscal resources are targeted toward student achievement. Parents also participate in the parent nights, hosted by grade level teachers, to learn about their child’s progress and school and ways to help students increase learning. We hold regular parent teacher conferences at the end of the first and second trimesters. Teachers are available to conference with parents outside of the regular conference times, upon request, before or after the instructional day by appointment. Also, each year we host Back to School Night and Open House to welcome our families. As of this year we are also holding bimonthly Parent Literacy Nights. Parents may also contact teachers directly to help in individual classrooms.

For more information, contact Sandy Gonzalez, Community Liaison; Laura Brazelton, Office Manager; or Eracleo Guevara, Principal.

State Priority: School Climate
The SARC provides the following information relevant to the State priority: School Climate (Priority 6):
• Pupil suspension rates;
• Pupil expulsion rates; and
• Other local measures on the sense of safety.

</table>

* Number of classes indicates how many classes fall into each size category (a range of total students per class).

### Professional Development provided for Teachers

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers.

To that end, the district has crafted a high quality professional program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Differentiation of Instruction, Data Inquiry, Culturally and Linguistically Teaching and Learning, and Conceptual Understanding of Mathematics. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our strategic plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design.

Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

### Types of Services Funded

SCUSD and district schools provide supplemental programs and services through categorical funds and other sources to support the needs of all students, including GATE, students with disabilities and English learners. Programs and services such as enrichment program, family engagement activities, supplemental instructional materials, and academic, social and emotional support programs help our students achieve grade level readiness, mastery of the California Common Core State Standards (CCSS), and college and career readiness. Cesar Chavez Elementary School and district supplemental programs and services include:

- Tutoring
- Supplemental instructional materials and books
- Extended Day
- Enrichment programs
- Access to technology
- Parent Education/Family Nights
- Parent Literacy Nights.
- Social Services
- Student/Family Primary Language Support
- Translation for Home-School Communication
- Counseling (academic and career)
- Gifted and Talented Education (GATE)
- Special Education
- Professional Development
- Support Staff, such as nurses, instructional assistants, parent advisors, and counselors
- Supplemental Education Services
- School Choice

Please check with your child’s principal to receive information regarding the services that are specific to your child’s school.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [https://dq.cde.ca.gov/dataquest/](https://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
