School Description

Our mission at Albert Einstein Middle School is to prepare students to show initiative, strive for personal excellence and actively contribute to a team in order to compete and succeed in high school, college, career, and life.

Einstein has an ambitious academic plan to maximize students' secondary and post-secondary options. Einstein students are expected to work hard in all disciplines and persevere to demonstrate proficiency on the Smarter Balance Assessment Consortium (SBAC) tests in Math and English Language Arts and in Science through the California Science Test (CAST).

Students attending Albert Einstein Middle School will have many opportunities to demonstrate excellence. With many activities including sports and teacher sponsored clubs, students will experience a wide variety of positive social experiences. In addition many students will have an opportunity to participate in activities sponsored by our after school program, ASES.

Parent/Guardian partnerships are highly valued. We encourage parents/guardians to engage in students' education by participating on our PTSA, School Site Council/English Learner Advisory Committee, Back-to-School Night, Parent Informational Meetings, and/or Family Lunch Days. We also encourage families to come out for our Campus Beautification Days to garden, build, or help beautify the campus. We urge parents to stay in communication with each students' teachers by phone, email, and/or the Infinite Campus Parent Portal.

As students continue their academic journey, the relationships between staff, students, and families at Albert Einstein Middle School will solidify their ability to successfully contribute to a positive future.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)

To realize the vision of Sacramento City Unified School District, which is to fully prepare all students for college and career, it is imperative that the district provides numerous opportunities to expand the professional repertoire of its administrators and teachers. To that end, the district has crafted a high quality professional learning program that is focused on Literacy (including ELA Common Core Standards), English Language Learners, Mathematics, Science, Physical Education and Visual and Performing Arts. Since the onset of Distance Learning in the Spring of 2020, we have provided all teachers and administrators with professional learning on Universal Design for Learning, and the professional learning we have made available is geared to distance learning. The learning opportunities afforded through this program deeply align with the needs of our individual schools, as well as our Local Control Accountability Plan, and connect to every aspect of school practice: thinking curriculum, intentional instructional practices, assessment for learning, and lesson design. Professional learning opportunities are offered during school hours and outside of contracted hours. In addition to on-site coaching and regular professional learning opportunities, a designated collaborative Thursday time provides the opportunity for teachers to engage in collaborative professional learning at their respective schools focusing on deepening their content knowledge, strengthening their instructional repertoire, improving their assessment strategies, and fostering a shared sense of responsibility.

School Facility Conditions and Planned Improvements (Most Recent Year)

Albert Einstein Middle School, built in 1954, received Facility Inspection Tool (FIT) overall repair rating score of "good" from its most recent facility inspection in May 2018. The district governing Board has adopted cleanliness standards for all district schools to ensure that all schools are clean, safe and functional. The district Operations Department takes great pride following a work order process that provides efficient and timely services to all the sites. The principal works directly with the site custodial staff to develop cleaning schedules to ensure that the school is clean and safe.

The passage of Measure Q, the district's 2012 general obligation bond, provided facility upgrade funding to all district schools. The district performed Quick Strike projects during the summer of 2014, which allowed schools to pick from one of the following improvements: 1) marquees, 2) closed-circuit television (CCTV) surveillance, 3) exterior painting, or 4) seal coating and striping of parking lots or playgrounds. Fire alarms at all the district schools were upgraded. Additional 10 million dollars have been allocated for safety and security upgrades, which are expected to begin in 2019.

Funding from the federal government through Universal Service Administrative Company (USAC) provided for technology infrastructure improvements to the district's wireless connectivity. The improvements, which are expected to be completed by the end of 2019, will increase classroom internet access and digital voice communication.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Parents are encouraged to participate in a variety of school activities. Parents participate in Parent Leadership Meetings, Community Service Days, Set-Building Days, The Parent Teacher Home Visit Project and involvement in the governance of the school through the combined School Site Council and English Learner Advisory Committee.

Communication occurs through automated phone calls, emails, and personalized follow up communications. We communicate in English, Spanish, and Russian. A yearlong calendar keeps parents informed about upcoming events, classes offered by the district, student activities, and announcements for volunteer opportunities. The school website includes current information and is managed by the front office and students in the Yearbook/Publications class. Infinite Campus Parent Portal offers on-line information for parents regarding their child's grades, homework, behavior, attendance, and more. Parents may also use teacher voice mail or email to contact teachers for information about their children.

For more information, contact Tarik McFall Principal or Stephanie Ehrk, Office Manager at (916)395-5310

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
