

# Grants to help your students thrive.

MICHELLE M.  
Member Since 2002

The Education Foundation for California Schools invites California teachers to apply for a grant intended to support the creation of programs that will inspire students to excel in core subjects.

*"We are so thankful to the Education Foundation for California Schools. The grant helped us update our library to provide our students with books that support our reading program and our students' reading goals."*

*Michelle M. | Teacher Grant Recipient*

## Apply between October 1 – 31
