#### **AD1.01 Responses to Questions**

**Question 1.** We have identified some additional information that we believe would enhance our proposal and provide further context on our capabilities and approach. I wanted to inquire whether including such information in our submission is permissible, even if it was not specifically requested in the RFP?

Additionally, we wanted to confirm whether all materials must be bound, or if it would be possible to provide additional materials in a folder secured inside the sealed envelope?

**Response:** Additional information/services are permissible as stated in Section IV, Item: F. Miscellaneous. Additional materials other than stated requirements may be provided in a folder sealed in the submitted envelope.
