Comment:	<p>Recently I have learned that this district is releasing 2 Instructional Assistant Superintendents who are women of color, hold doctorates and are more experienced than the CAO, Christine Baeta and Jorge Aguilar combined. I had hoped that this district was serious about its commitment to equity and antiracism but instead the CAO is allowed to execute her white rage and insecurities against 2 highly qualified women of color who truly represent our community. Dr. Simms has been an advocate in our community for over 20 years. Dr. Mackey embraced our schools, parents and teachers since Day 1. She stepped in when our Principal was sick and helped our teachers and parents during this tough time of distance learning. She was a breath of fresh air and genuine a stark contrast from the CAO and Superintendent. Both women speak out against the racist practices happening in our district and are the only Assistant Superintendents who look like us and are for us. This board needs to recall their vote and give their jobs back. Superintendent Aguilar has gotten fat on the backs of our kids while vital programs are cut. He could give back a portion of his salary to save resources and still make a quarter million. But he won't. Now he wants to eliminate the 2 women who really care about our kids? I say no! Please school board reinstate these 2 women and fire the carpet bagger, Aguilar!</p>

Comment:	<p>Good Evening SCUSD Board Members. Did you know that Superintendent Aguilar serves at the pleasure of the board and not the other way around? Did you know that this is his first superintendency and it shows? Did you know that he never steps foot in any of our schools unless he wants to show off to board members or for media purposes? Did you know that in his 4th year as superintendent in this district, he has NOT improved outcomes for our children and has his knee on the necks of our kids as he collects a salary 3x higher than any superintendent of a district of this size? His greed and disregard for our children is blatant and yet you shield him. Yet, the only 2 Assistant Superintendent women who are Latina and Afro-Latina, that are really supporting our kids, the 2 that call out racist and bias practices of this district, the 2 that advocate for our BIPOC leaders, the 2 that are the MOST qualified with more experience and education than Jorge Aguilar and his CAO, the 2 that support our teachers the most, the 2 that speak out against the microaggressions and explicit biases done against them and others, are the ones that Aguilar and Baeta conspire to get rid of!?? We in Oak Park SEE how our board member is treated in public. This all has to end now! Aguilar has sold his soul for \$340000+ on the backs of our kids! How much are you selling yours for Board Memmbers? Reinstate these 2 women as Assistant Superintendents for the 2021-22SY, get rid of Aguilar and Baeta and hire a Superintendent who isnt politicking for more money harder than he is politicking for our children and families. Yo puedo, lo hare!</p>
