**<u>Recommendation</u>**: Adopt the proposed 2017-18 Budget for all funds presented as a Public Hearing Item at the June 15<sup>th</sup>, 2017 Board Meeting.

**Background/Rationale:** At the June 15, 2017 Board meeting, a public hearing was conducted on the proposed 2017-18 Budget for all funds. Administration is now requesting action to adopt the proposed Budget. As indicated at the prior Board meeting, by June 30<sup>th</sup> of each year, the school district must adopt a budget for all funds for the ensuing fiscal year. Prior to adoption of the budget, the Board must conduct a public hearing. This is in accordance with state prescribed procedures for single budget adoption, which require that the budget be adopted and submitted to the County Office of Education on state required forms by June 30<sup>th</sup>. The 2017-18 Budget establishes expenditure authority for the district to conduct business for the next fiscal year.

The proposed 2017-18 budget is based on the May Revised Budget that was presented by the Governor on May 11, 2017 and incorporates recommendations from the Sacramento County Office of Education. While the Governor's May Revised Budget is a very significant event in the process, the final impact to the district will not be known until the State budget is signed. School districts have 45 days after the final State budget is signed to amend and resubmit their budget. The proposed 2017-18 budget takes into consideration the priorities from stakeholders as discussed at the LCAP presentations and budget committee meetings.

**Financial Considerations:** The proposed budget establishes expenditure authority for all funds.

# **LCAP Goal(s)**: Family and Community Empowerment; Operational Excellence

Adopt Proposed Fiscal Year 2017-18 Budget for All Funds June 28, 2017

#### I. OVERVIEW/HISTORY:

This document provides an overview of the budget process and a timeline used in preparing the 2017-18 Adopted Budget. The Governor's Budget Proposal for 2017-18 paints a somewhat brighter fiscal picture than what he offered in his January Budget proposal. However, he noted that the state has increased spending by billions of dollars over the last several years, especially for education. He warned that we are starting to press the envelope with regard to the length of our current economic recovery, noting that the longest recovery on record is ten years, and we are now in our eighth year of growth. He emphasized exercising fiscal restraint due to this looming recession and pressures from Washington D.C. He cautioned that if the American Health Care Act ("Trumpcare"), or a similar bill were to become law, it would cost California billions of dollars.

He stressed that he did not want to return to the practices of prior Administrations in which new programs were added during the good times but have "the rug pulled out" from people receiving these services when the economy turned south. Without predicting such a recession, he stated that the Department of Finance (DOF) has forecast a \$55 billion revenue shortfall over three years even with a recession of "moderate intensity."

On December 8<sup>th</sup> - Staff presented the First Interim Financial Report and Board approved with a positive certification for the third year in a row since 2007-08. Staff projected the revenues and expenses for 2017-18 emphasizing that the District must be vigilant and have the fiscal discipline to avoid incurring any fiscal distress in future years. Staff presented an overview of the district's budget along with challenges such as continued declining enrollment mainly due to the addition of a new charter school, increases in health benefits, retirement system costs and Other Post-Employment Benefits (OPEB) Liability.

On December 8th - Staff presented a budget timeline and process for preparing the 2017-18 Adopted Budget that aligned with LCAP. The process of developing a school district budget is an ongoing function that must be addressed by the Board and administration throughout the school year. In order to effectively develop a fiscal document that reflects the goals and objectives of the school district, the budget process must include a well-defined budget calendar outlining when specific activities will be completed.

Adopt Proposed Fiscal Year 2017-18 Budget for All Funds June 28, 2017

January/February - Based on the Governor's January budget, staff presented a summary of the Governor's January budget on January 19th. Kevin Gordon, President of Capitol Advisors, also an expert on K-12 finance discussed in detail Proposition 98 and the effect of pension increases on school districts. The estimated statutory COLA for K-12 education programs in 2017-18 was 1.48% during January's Proposal, and is applied to the LCFF base grant targets, as well as other education programs that are funded outside of the LCFF. Those programs include Special Education, Child Nutrition, Foster Youth, Preschool, and Childhood Education, all of which were proposed to receive the statutory COLA. In addition to the proposed COLA increase, one time discretionary funds equivalent to \$2.04 million for SCUSD were proposed on the Governor's January Budget. For 2016-17, the amount was \$9.1 million for SCUSD, a reduction of \$7 million in 2017-18. Under the May Revise, the COLA for K-12 education increased to 1.56%. However, we cannot count on the \$2.04 million proposed during Governor's January budget because this amount is deferred until May 2019.

On February 2nd, the Budget Workshop was presented to the Board. Staff presented the Governor's January budget and explained how Sacramento City USD (SCUSD) gets funding for each revenue source, the LCFF, Federal, Other State and Local Revenue. In addition, staff presented how the funds are allocated to schools, and the unique finance challenges of SCUSD such as increase in health benefits costs. We apprised the Board about the Budget Development Process and allocation of resources, including the staffing formulas. Staff listened to the Board and public about their Budget priorities.

The Budget development and the LCAP go hand in hand. On November 3rd, 2016 the Board of Education appointed the Local Control and Accountability Plan Parent Advisory Committee (LCAP PAC). The LCAP PAC met monthly to learn about, and discuss topics such as the new LCAP template, the California School Dashboard, the Annual Update, the budget, and the metrics. The District English Learner Advisory Committee (DELAC) created a subcommittee to serve as the English Learner Parent Advisory Committee (EL PAC). On February 15, 2017 the LCAP PAC and the EL PAC held a joint meeting to review and discuss the budget. Comments and questions were recorded and responded in writing at the March 15, 2017 meeting. The district's LCAP feedback survey was offered between May 1st and May 31st, and stakeholders were invited to provide their opinion on whether the goals, actions, and services in the LCAP were moving the district in the right direction.

On February 16th, staff presented the budget reductions for 2017-18. Budget reductions for FY 2017-18 are due to the ending and reduction of Categorical Funds. In addition, there are some reductions due to the adjustment for enrollment at some of the schools. Once funding is determined, staff will look into retaining positions.

Staff projected a budget shortfall in Title I, as well as Title IV (21st Century), After School Education and Safety (ASES), Tobacco Use Prevention Education (TUPE), Medical, LCFF and Local Grants such as Bechtel.

During the months of January and February, Budget and HR staff met with each school and central department administrators to develop the budget for 2017-18. During these meetings, the budget for the current year was reviewed so school administrators effectively monitor spending funds to serve students.

On March 2<sup>nd</sup>, the Board approved the recommended budget reductions made at the February 16, 2017 Board Meeting to maintain a balanced 2017-2018 Budget. Since these reductions were approved, the Board and staff have identified one-time funding to maintain most programs, especially 21<sup>st</sup> Century.

On March 16<sup>th</sup>, the Second Interim Financial Report was approved with a positive certification. It was determined that the district will finish with a positive cash status by the end of June. Staff presented the financial position for 2016-17 and the projections for 2017-18 and 2018-19. Staff presented the enrollment, average daily attendance, state revenue and other areas that could impact the budget in the current or outlying years. Staff explained that the district has not settled agreements with all bargaining units for FY 2016-17 and 2017-18 and as of today, we still have not settled.

On April 6<sup>th</sup>, as an information item, staff presented the LCAP Annual Update to the Board, including a review of data trends and expenditures to date. Staff described how the community would be presented with multiple opportunities to review the Annual Update, and to provide feedback on the draft LCAP. Staff analyzed the actual Average Daily Attendance (ADA) for Period 2 and mandatory costs to begin building the 2017-18 district budget proposal.

Staff met with Sacramento County Office of Education (SCOE) to go over the Second Interim and budget assumptions for 2017-18. Staff also met with SCOE to review the LCAP changes implemented by California Department of Education (CDE) and the expectations of the budget for 2017-18 and beyond.

Staff attended two May Revision workshops to analyze the Governor's May Revision in order to provide an update at the June 1<sup>st</sup> Board meeting. The Budget Committee was renewed for 2016-17 and met two times during May, a total of five times since March. The Budget Committee is composed of three Board members and staff. The meetings are open to the public. The Committee has learned about different topics and their recommendations are included in the Budget for 2017-18.

Adopt Proposed Fiscal Year 2017-18 Budget for All Funds June 28, 2017

On June 1<sup>st</sup>, the Board received preliminary information on the May Revise which was officially released on May 11, 2017. Staff highlighted the proposed additional \$1.4 billion statewide, up to \$660,000 for SCUSD from the January Budget proposal. The Department of Finance staff estimates that the additional funding proposed in the budget will eliminate 43.97% of the remaining gap between the 2017-2018 funding level and the LCFF funding target for each school district. The K-12 COLA is 1.56% for 2017-18.

At the January Governor's Budget Proposal, we estimated about \$48 per ADA in one-time funds. The May Revision shows an increase to \$170 per ADA. This is a one-time increase equivalent to about \$4.7 Million for SCUSD. But, the Governor proposes to hold off releasing the funds until May 2019. SCUSD will not book it for 2017-18 Budget. The one-time funds proposed by the Governor's in January do not continue in the May Revise.

On June 15<sup>th</sup>, the Legislature sent Governor Brown the 2017-18 Budget Proposal for consideration and it includes one-time funds being paid in May 2018. Given that the budget package represents the agreement between the Governor and the Democratic leadership, it is expected that the Governor will approve the legislation before the fiscal year begins on July 1, 2017. However, the Governor could use his constitutional authority to reduce or eliminate certain expenditures contained within the spending plan.

On June 15th, staff held a Public Hearing and on the proposed 2017-18 Budget for all funds. Staff presented the 2017-18 Allocation of Resources based on community engagement and LCAP Advisory Committee and Budget Committee input. Staff presented the Superintendent recommendations and listened to Board and public comments to adjust the Proposed Budget for FY 2017-18 based on the May Revise Funding. The 2017-18 Adopted Budget is based on the Governor's May Revise and recommendations from Sacramento County Office of Education (SCOE). The recommendations from the Superintendent take into consideration all input from the stakeholders. The Superintendent took very seriously the recommendations made by the LCAP Advisory Committee and the Board of Education. Staff will continue to closely monitor the state budget situation.

# **II. Driving Governance:**

• Education Code section 42127 requires the Governing Board of each school district to adopt a budget on or before July 1<sup>st</sup>. The budget to be adopted shall be prepared in accordance with Education Code section 42126. The adopted budget shall be submitted to the County Office of Education. The County Office of Education will determine if the district will be able to meet its financial obligations during the fiscal year and ensure a financial plan that will enable the district to satisfy its multi-year financial commitments.

## **Proprietary Funds Definition**

Proprietary Funds are used to account for activities that are more business-like than government-like in nature. Business-type activities include those for which a fee is charged to external users or to other organizational units of the LEA, normally on a full cost-recovery basis. Proprietary funds are generally intended to be self-supporting. This classification includes the Self-Insurance fund, which includes the Dental/Vision fund.

#### 4. CRITERION: LCFF Revenue

STANDARD: Projected local control funding formula (LCFF) revenue for any of the budget year or two subsequent fiscal years has not changed from the prior fiscal year by more than the change in population, plus the district's gap funding or cost-of-living adjustment (COLA)<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

For basic aid districts, projected LCFF revenue has not changed from the prior fiscal year by more than the percent change in property tax revenues plus or minus one percent.

For districts funded by necessary small school formulas, projected LCFF revenue has not changed from the prior fiscal year amount by more than the district's gap funding or COLA<sup>1</sup> and its economic recovery target payment, plus or minus one percent.

<sup>1</sup>Districts that are already at or above their LCFF target funding as described in Education Code Section 42238.03(d) receive no gap funding. These districts have a COLA applied to their LCFF target, but their year-over-year revenue increase might be less than the statutory COLA due to certain local factors and components of the funding formula.
