<u>Recommendation</u>: Adopt the proposed 2016-17 Budget for all funds presented as a Public Hearing Item at the June 16th, 2016 Board Meeting.

Background/Rationale: At the June 16, 2016 Board meeting, a public hearing was conducted on the proposed 2016-17 Budget for all funds. Administration is now requesting action to adopt the proposed Budget. As indicated at the prior Board meeting, by June 30th of each year, the school district must adopt a budget for all funds for the ensuing fiscal year. Prior to adoption of the budget, the Board must conduct a public hearing. This is in accordance with state prescribed procedures for single budget adoption, which require that the budget be adopted and submitted to the County Office of Education on state required forms by June 30th. The 2016-17 Budget establishes expenditure authority for the district to conduct business for the next fiscal year.

The proposed 2016-17 budget is based on the May Revise Budget that was presented by the Governor on May 13, 2016 and incorporates recommendations from the Sacramento County Office of Education. While the Governor's May Revise Budget is a very significant event in the process, the final impact to the district will not be known until the state budget is signed. School districts have 45 days after the final state budget is signed to amend and resubmit their budget.

The complete set of state required forms is quite voluminous and is available on the district's website as presented at the June 16, 2016 Board Meeting.

Financial Considerations: The proposed budget establishes expenditure authority for all funds.

LCAP Goal(s): College and Career Ready Students; Family and Community Engagement; Safe, Clean and Healthy Schools
