An employee working more than 241 days shall be assigned a twelve (12) month work year.

20.3 **Layoff Seniority**

For purposes of Article 20 (Layoff), seniority is established by the employee's date of hire as a regular probationary or permanent employee of the District in the classification (this calculation does not include any substitute or temporary time served by the unit member) plus any service in higher classes (i.e., those with higher pay ranges) with deductions for any unpaid time as outlined below. Except for reinstatement within thirty nine (39) months or reemployment as a probationary employee within the same class within six months of resignation, a break in employment and subsequent reemployment shall create a new hire date. If two or more employees subject to layoff have equal seniority as defined herein, then the employee with the most recent hire date in the District shall be laid off first. If date of hire in the District does not break the tie then the tie shall be broken by **Union Chapter Officers Leadership** in the presence of the District, random drawing.

20.3.1 <u>Service Credit for Certain Unpaid Leaves</u>

The District shall grant seniority credit for time spent on unpaid leaves in the following areas: Military Leave, Illness Leave, Maternity Leave, Industrial Accident/Illness Leave, family care leave (see section 12.12.6), **FMLA/CFRA**, and any other unpaid leaves permitted by the Education Code under Section 45308.

20.3.2 No Service Credit for Other Unpaid Leaves

In the event that an employee returns to work following an unpaid leave not listed above, the employee shall not receive accrued seniority for the time not worked.

20.3.3 The Superintendent or designee shall maintain a current determination of each employee's seniority.

20.4 **Order of Layoff**

The employee who has been employed the shortest time in the classification, hours, and work year to be eliminated or for which the hours will be reduced shall be laid off first.

20.5 **District Rights and Union Rights**

The District has the right to decide if layoffs are necessary. reserves, retains, and is vested with the sole and exclusive right to layoff employees for any reason allowed by law. In the exercise of this exclusive right, the District makes the sole determination as the hours and the positions to be eliminated. The Union retains the right to negotiate the impacts and effects of the layoff of unit members.

20.4.1 Union Rights

The Union retains the right to negotiate the impacts and effects of the layoff of unit members. The District shall meet with the Union leadership to negotiate the impacts on each of the positions affected, including the hours eliminated, workload, and other impacts at least 60 days in advance of the date the District issues layoff notices to affected employees. (not compliant with the law)

Positions to be eliminated or for which hours will be reduced shall be identified by the District by classification, hours¹, **following consultation with Union** leadership.

If there is more than one vacancy in the classification, hours, and work year the employee shall be allowed to select a vacancy. If there is one or more employees in the same classification, hours and work year in the position to be eliminated or for which the hours will be reduced, the most senior employee shall be administratively transferred first. Employees being transferred under this section shall receive at least ten (10) working days notice of their new assignment.

20.6.2 Second Step: Layoff

If there are no vacancies in the classification, hours, and work year of the position to be eliminated or for which the hours will be reduced the District shall engage in a layoff.

20.6.3 Third Step: Bumping Rights Within a Classification

Employees who do so shall be granted the same rights as persons laid off.

20.8 **Reemployment Rights**

If the employee accepts, he/she must report to work no later than two (2) calendar weeks from the vacancy notification date or on a later date specified by the District.
