

**Sacramento City Unified School District
Board of Education Meeting**

June 26, 2025

Written Public Comments

Name:	Reneé Marie
School:	N/A
Agenda Item #	7.0
Comment:	<p>Each time I gather with students, faculty, parents, and community members at a Peace Pole unveiling and dedication, the gratitude expressed strengthens my optimism for our citizens and future leaders.</p> <p>When students see a Peace Pole they talk about what peace means to them and how they can contribute towards creating peace in their family, community, school, and world. My vision is to give every school community this tangible reminder of peace by placing a Peace Pole on every campus for all generations to benefit from.</p> <p>May I please address the School Board to share this vision personally and to answer any questions?</p>
