# Return to Play - Athletics Update

- The Health of our students, staff, and the community is paramount
- All decisions regarding restarting our athletics programs will be based on approval provided by provided Sacramento County Health
- District has been part of Cross District Collaborative meetings
- Local districts developing return to play plans
- SCUSD gathering information, developing ideas, and beginning to work with our partners
- Guidance offered by California Interscholastic Federation (CIF), the National Federation of State High Schools Association, and Sacramento Environmental Management Department

# Return to Play - Athletics Update

- Return to play models often include the following phases
  - Phase one - Conditioning
  - Phase two - Reintroduce equipment
  - Phase three - Competitive play
- Extensive health precautions will be put in place prior to beginning any athletic programming
- We will continue to work with Sacramento County Public Health seeking guidance and approval before any plan is implemented

# Burbank Urban Garden (BUG) Summer Internship Program

- Resume Summer Urban Agriculture Farm Internship
  - Follow CPHD Directives on group sizes
- All gardening is outdoors
- Standard health precautions will be implemented
- Keeps garden healthy & producing over the summer
- Allows for students to safely engage in positive, healthy, healing outdoor activities
- Provides beautiful and educational greenspace for the LBHS community

# Burbank Urban Garden (BUG) Summer Internship Program

- Balancing social and emotional needs with public health needs
- Practicing new behaviors for returning to school
- Help guide our reopening planning process - learn from these experiences and adjust plans as needed
- We urge our community to lean into this new normal and create a physically and emotionally safe space for everyone.
