Division: College & Career Readiness Department (CCR)

Recommendation: None

Background/Rationale: The CCR Department has been busily providing opportunities to engage in college and career ready activities. There has been a series of college and career fairs held, multiple campus visits, and college eligibility packets were mailed to all high school seniors. For the first time, SCUSD is offering to pay for at least one college application for all 12th grade students who have met the minimum eligibility requirements for a four year college or university. All of these activities were in support of the fall college application window which is underway. Counselors are in the process of providing college application workshops and are actively supporting students with college and financial aid applications.

Financial Considerations: None

LCAP Goal(s): College, Career and Life Ready Graduates
