2022-23 Proposed COLA's vs. 2021-22 First Interim Report

- The State Budget Proposal funds the LCFF in 2022-23 with a cost-of-living adjustment of 5.33%
- Subsequent years reflect higher COLA's

	21-22	22-23	23-24	24-25
Governor's Proposed Budget	5.07%	5.33%	3.61%	3.64%
2021-22 First Interim Projected	5.07%	2.48%	3.11%	3.54%
Difference	0.00%	2.85%	0.50%	0.10%

2022-23 ADA “Cliff”

- The ADA “Cliff” has been well-publicized and the subject of many discussions
 - For charter schools and county offices of education (COEs), the impact is already being felt in 2021-22
- Good news—the Governor and Legislature are listening and hearing your collective voices

ADA Cliff—Proposed Solution

- Governor’s proposal would allow a third option for funded ADA which would use the actual ADA from the prior three years. If enacted, this would allow a school district in 2022-23 to be funded on the greater of the following:
 - Actual ADA from 2022-23
 - Actual ADA from 2021-22
 - Average ADA based on actuals from 2019-20, 2020-21, and 2021-22

Fiscal Year	Actual ADA
2019-20	38,325
2020-21	38,325*
2021-22	34,324**
2022-23	35,902***

Funded ADA for 2022-23	
Current Law	35,902
Governor’s Proposal	36,991
Difference	1,089
LCFF per ADA @ \$11,944	\$13 million

*Result of hold harmless, uses 2019-20 ADA
 **Projected ADA using 21-22 P1 report - ADA Yield @ 90% (pre-pandemic average rate was 94.6%)
 ***Projected ADA assumes pre-pandemic assumptions: enrollment decline of -0.5% from prior year and ADA yield of 94.6%

COLA & ADA proposals impact to SCUSD Multi-Year Projections

LCFF Projected Changes	2021-22	2022-23	2023-24	2024-25
2022-23 Governor's Proposal	\$434,355,408	\$441,824,790	\$446,693,669	\$457,250,037

Difference	(\$278,185)	\$4,002,047	\$3,119,828	\$2,408,759

- The projected increases highlighted above for LCFF base would be applied to the projected deficits in the District’s multi-year projections.
- The decline in 2021-22 LCFF revenues is due to using updated ADA from P1 report for non-public schools and community day school which are paid on current year with no hold harmless which is trending 121 ADA lower than projections, still pending updated numbers from County Office of Education

Special Education

- Governor proposes ongoing funding commitments for special education
 - \$500 million in Proposition 98 General Fund special education funding
 - 5.33% COLA adjustment—\$140.6 million
- These investments result in a Base Rate estimated at \$820 per ADA, the current rate is \$715 per ADA
- The table below shows the projected multiyear impact to Special Education funding for SCUSD compared to the First Interim Report

- Declining Enrollment –
 - ADA proposal not a “hold harmless” only provides soft landing
- Collective bargaining
- PERS/STRS cost increases
- Health and Welfare Benefit cost increases
- Implementation of universal school meals will increase the challenges of identifying unduplicated students
