California State University (CSU)	Cal Poly San Luis Obispo, CSU Fullerton, CSU Long Beach, CSU San Diego, Cal Poly Pomona , CSU Fresno, CSU Los Angeles, CSU Monterey Bay, CSU Northridge, CSU Sacramento, CSU San Bernardino, CSU San Francisco, CSU San Jose, Cal Maritime, CSU Bakersfield, CSU Channel Island, CSU Chico, CSU Dominguez Hills, CSU East Bay, CSU Humboldt, CSU San Marcos, CSU Sonoma, CSU Stanislaus

Please consider applying to private colleges and universities. For more information about the *varied admission requirements* for California private colleges/universities, please visit <http://www.aiccu.edu/>.

As of August 2018, your academic profile reflects the following:

Metrics	Results	Recommendations
HS Graduation Credits Completed	260	Students need 225 credits in specific subject areas to graduate. Review your current course schedule and expected spring semester course enrollment to ensure graduation requirements will be met by the end of the academic year.
On-Track for Graduation	Yes	Review your academic records to confirm that you are on track for graduation. On track status for Graduation considers all courses passed with a D or better. Continue to focus on your academic excellence.
UC/CSU GPA	3.45	In calculating the GPA for admission consideration, UC uses all UC-approved "a-g" courses a student took between the summer before 10th grade through the summer following 11th grade. In calculating the GPA for admission consideration, CSU uses all approved a-g courses completed after grade 9.
A-G Units Completed	22.00	To be considered for UC/CSU admission, you must complete 15 yearlong high school courses with a grade of C or better by the end of senior year; for UC specifically, at least 11 of them prior to your senior year. Units completed include current A-G course enrollment with the assumption that A-G coursework will be passed with a grade of C or better.
SAT	Math: 630 EBRW: 600	Consider retaking the SAT/ACT by December to improve your score and increase the probability of admission to more competitive campuses.
College Readiness	Math: No Score English: No Score	No Early Assessment Program (EAP) Math score on file. You may be required to take Math support classes if you decide to enroll at a CSU campus. More information about exemption criteria will be available in the spring semester. No Early Assessment Program (EAP) English Language Arts score on file. You may be required to take English support classes if you decide to enroll at a CSU campus. More information about exemption criteria will be available in the spring semester.
AP/IB/Honors Courses	6.50	UC and CSU grants credit for Advanced Placement examinations on which a student scores a 3 or higher, and International Baccalaureate examinations with a score of 4 or higher.
