Recommendation: The Board of Education is requested to approve new instructional materials for Waldorf schools AM Winn and Alice Birney.

Background/Rationale: The instructional materials used by Waldorf schools AM Winn and Alice Birney need updating. AM Winn has been adding a grade level each year to its Waldorf program and will now be Waldorf K-8th grade, and Alice Birney is already Waldorf from K-8th grade. Updating the materials used by our Waldorf schools is necessary to run their educational program.

Beginning in Spring 2018, teachers from both schools have been engaged in meetings to determine the best materials to adopt. As a result of these meetings, the recommendations on attached "Waldorf Curriculum List" were made

Financial Considerations: A total of $98,647.60
