#### **Public Comment:**

Renee Webster Hawkins

Kenya Martinez

Angie Sutherland

#### **Board Comment:**

Member Cochrane asks are all students given the opportunity or are all students tested for GATE? Kari responds all students are tested unless the families opt out.

President Ryan spoke of adjustments to ensure that we were being more inclusive and less exclusionary around GATE process for screening in 2015. We didn't see a slide that illustrated the pre adjustment to the screening process and the post adjustment to the screening process eligibility. When you said we saw gains, what were those gains from changes from 2015 to today? Kari responds, not available at moment, would be glad to provide that to the Board. President Ryan continues 4% of black students have now been deemed eligible for GATE, what is the drop off between those who are deemed eligible and those who are enrolling in the services? Appreciates the focus on grade level readiness and lifting the student achievement.

This is an information item. Approval not needed.

#### **Board Comment:**

Member Hansen there was a proposal to pay for fingerprinting in the plan. When was the proposal taken out and why? Right now volunteers have to pay out of pocket. Proposes putting that back in. Cathy Morrison responds it was one time dollars for last year. Member Hansen asks about suspensions,

Vice President Woo thank you for presentation. It was hinted at, as the governor is going to approve the budget, there might be some additional LCFF funding for a new category of students. If that money comes in when the budget is passed, will we come back with a revised LCAP/LCFF and spending plan for those additional dollars? Cathy Morrison responds the budget trailer bill and the criteria for those lowest performing students is that they have to be not identified elsewhere, as unduplicate. So not low income, EL or Foster Youth and not students with disabilities because they are covered under other funds. If we are to receive the funds, it has to be provided to the Board prior to March 1, 2019.

Member Cochrane students that are expelled, frequently are demonstrating behaviors that involve severe bodily injury and danger to others. It doesn't go by color or race. Interested in statistics of extreme cases. This is a serious issue, something has to be done. This is a complex issue, this is a team effort. The leadership of this team comes from the district. Our Board President is a leader on these issues. She has some excellent ideas. They are not solutions, they are a start.

2<sup>nd</sup> Vice President Minnick heard a concern about what the LCAP looks like moving forward, this LCAP being presented is not reflective of the discussions that were had in the Parent Advisory Committee. If LCAP moving forward is not reflective of what this group came forward then there are big concerns that this could be another check box situation.

Member Vang thanks Cathy for all her hard work on the LCAP.

President Ryan this need to address African American achievement, this need to recognize that our black community is in crisis and that punishment often ends up resulting in an impact to lifetime success is the forefront. Asks that at the August 2<sup>nd</sup> Board meeting, the Superintendent and staff come back with a plan for an African American achievement initiative.

Board Comment:

Vice President Woo wants to thank Kennedy people for coming out to support the after school programs. Member Vang thanks Superintendent for his transparent presentation. Wants to know the proposed expense reduction, how did these options make the list? Superintendent Aguilar responds, the top priority is any cuts or reductions have very to no effect on our students, in our classrooms, in our schools. This was making a commitment to looking at any ways at reducing expenses. Member Vang asks if we have done an assessment on current programs to see if they are impactful perhaps to cut some programs? Superintendent Aguilar responds that is the process we have begun now on terms of looking at outcomes that our programs are producing.

Member Hansen thank you Superintendent and staff for putting together our best budget yet, clarity wise and transparency wise and the ability to have that presented well. Requests we add back in the \$25,000 for the fingerprinting, that's several hundred parents that would not be able to volunteer without that. Requests to fellow Board members to add that back in the budget and to have it prioritized to low income families.

2<sup>nd</sup> Vice President Minnick wants to also thank Superintendent. Appreciates the great detail and clarity. Wants to thank the folks who came out to advocate for the after school programs. Appreciates the focus on keeping what we have right now to the best of our ability and at the same time being open and honest about things that need to be addressed.

President Ryan asks Gerardo to speak on additional investment for special education students and the understanding of the monies that would be received for our lowest performing sub group. Gerardo indicates nothing is yet final. President Ryan continues that she strongly agrees with the Superintendent's desire to do an independent audit of the District finances. That will be essential, particularly as we have a rather grave financial outlook, to figure out how

invest in such a way that really actualizes this vision of equity and social justice. Wants to call out the low administrative overhead, we are the second lowest district still at 4.2%. Thanks the Superintendent for coming in and having a commitment to ensure the success of the current team.

Board Comment:  
President Ryan wants to make a comment in response to what was heard earlier about the suspension rate. The report actually was finding that Sacramento City Unified had the highest rates of suspensions of black males in the state of California for public and public charters. Wants to really call that out. This is a collective shared burden. That needs to be clarified in the data.  
2<sup>nd</sup> Vice President Minnick has been frustrated for a year and half now as we look at this calendar issue because all of the benefits of this and has not seen a reason not to move forward. Appreciates hearing from Teamsters and UPE
