I. Overview/History of Department or Program

In July 2013, the state Legislature approved a new funding system for all California public schools. This new funding system, Local Control Funding Formula (LCFF), requires that every Local Education Agency write a Local Control and Accountability Plan (LCAP). The 2018-19 school year represents the fourth year of LCFF implementation.

As a comprehensive planning tool, the LCAP fosters a cycle of continuous improvement, beginning with a defined cycle of data inquiry, tied to processes of authentic stakeholder engagement. Schools and districts are accountable for setting the right goals, using resources equitably and wisely, and supporting improvement in educational outcomes for all students.

II. Driving Governance:

The Local Control Funding Formula (LCFF) seeks to ensure attention paid to the performance of schools across the state's eight priorities, plus other priorities identified locally. The eight priorities include student achievement, student engagement, school climate, parent involvement, provision of basic services, curriculum access, and implementation of the California State academic standards.

According to California Education Code 52060, on or before July 1, annually, the Governing Board of each school district shall adopt a Local Control and Accountability Plan (LCAP) using a template adopted by the State Board of Education, effective for three years with annual updates. It will include the district's annual goals for all students and for each significant student group in regard to the eight state priorities and any local priorities, as well as the plans for implementing actions to achieve those goals.

Ed. Code sections 52060(g), 52062, and 52063 specify the minimum requirements for school districts' engagement with the public. There are at least two public meetings where the LCAP is shared, along with the district's budget. The first meeting is a public hearing that allows for recommendations and comments from the public about the LCAP and budget. The second meeting is when the LCAP and budget are adopted prior to the close of the fiscal year.

III. Budget:

Funds provided through the state's Local Control Funding Formula represent approximately 73% of the district's total general fund budget expenditures.

IV. Goals, Objectives and Measures:

The Equity, Access, and Social Justice Guiding Principle states "all students are given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options." This guiding principle demands that data be used to transparently assess

students by name, by need, and by inequities, and it serves as the moral call to action to build on the district's foundation while striving for continuous improvement.

The authority given to districts for local decision making through the LCAP also requires accountability and transparency. Districts describe increased and improved services for the following student groups through use of supplemental and concentration grant funds:

- English Language Learners
- Students eligible for free and reduced price meals program
- Foster Youth
- Homeless students

V. Major Initiatives:

The updated draft of the LCAP for 2018-19 maintains the district's four foundational goals.

- College, Career and Life Ready Graduates
- Safe, Emotionally Healthy and Engaged Students
- Family and Community Empowerment
- Operational Excellence

The LCAP provides details and resource allocation for the work of the school district as it actualizes the Equity, Access, and Social Justice guiding principle, Core Value, and the actions of the Strategic Plan. To increase coherence throughout the system, greater emphasis is now placed on ensuring that the budget, Single Plan for Student Achievement, and LCAP processes are aligned and integrated.

VI. Results:

Staff recommends the Board of Education approve the 2018-19 Local Control and Accountability Plan.

VII. Lessons Learned/Next Steps:

- The Board-adopted LCAP for 2018-19 will be forwarded to the Sacramento County Office of Education within five days of adoption.
- The Board-adopted LCAP will be posted on the district's website.
- The Board-adopted LCAP will be forwarded to the district's Matriculation and Orientation Center for written translation into Spanish, Hmong, Vietnamese, Chinese and Russian. Once complete, the district will post these to the website.
