**Background/Rationale:** 2022-2023 marks the third and final year that SCUSD's office of Attendance & Engagement has been the recipient of the state's Learning Communities for School Success Program (LCSSP) Grant which is aimed at improving student outcomes by reducing chronic absenteeism and truancy and supporting students who are at risk of dropping out of school or are victims of crime. Formerly titled, the Be Here team, the CARE TEAM has faced unimaginable challenges in this post-Pandemic climate, but has maintained its integrity and vision through its many collaborations and adhering to SCUSD's MTSS process. The data tells the story. The hard work, best practices and innovative solutions the CARE Team and the countless staff who support attendance have implemented these past 3 years and have paved the way for a successful and solid branch of MTSS: The Office of Attendance & Engagement.
