Recommendation: Approved Resolution No. 3254 Notice of Layoff: Classified Employees – Reduction in Force Due to Lack of Funds and/or Lack of Work.

Background/Rationale: Based on a lack of work and/or lack of funds, and to ensure the District's long-term fiscal health the District will require a reduced number of classified employee positions for the 2022-2023 school year. In addition, the District continues to face declining enrollment. **Classified layoff notices will be reduced by known attrition, current vacancies, and the needs of the District for hard to fill positions.**

Each year, the District undergoes a process of reviewing available information and engaging in cross-departmental collaborations with school sites to assist in identifying staffing needs for the upcoming school year. These meetings explore:

- 1) Staffing Needs – To provide maximum flexibility during this time of uncertain budgetary constraints.
- 2) Funding changes – categorical and general funds increase or decrease resulting in the reduction of hours or elimination of a classified position.
- 3) Academic program changes – the school site may change an academic focus resulting in the reduction of hours or elimination of a classified position.

- 4) Budget reductions or staffing formula changes – due to budgetary reductions and the potential change in staffing formulas, an increase or decrease of hours or elimination of a classified position may occur.

Prior to determining the layoff of classified employees, a review of current vacant positions and known attrition is conducted. That review enables Human Resource Services staff to assign a displaced employee to a vacant position; therefore, a layoff does not occur. Meetings with the appropriate bargaining unit will be scheduled to discuss the effects of the layoff.

With the passage of Assembly Bill 438, the classified layoff process has changed. Under Education Code sections 45114, 45115, 45117, 45298, and 45308, school districts must notify employees identified for layoff by March 15 that they will be laid off at the end of the current school year. These employees must also be notified of their opportunity to request a hearing on their layoff. Under Education Code section 45117, when classified positions must be eliminated as a result of the expiration of a specially funded program, the employees to be laid off shall be given written notice not less than 60 days prior to the effective date of their layoff informing them of their layoff date and their displacement rights, if any, and reemployment rights. Resolution No. 3254 and Exhibit A lists the positions that will be laid off for the 2022-2023 school year and thereafter.

The District will continue to try and identify alternative solutions for minimal impact on employees of the District. As decisions are made regarding the District's budget for 2022-2023, additional funding may become available, new positions may be identified and/or positions that were eliminated may be reinstated.

Financial Considerations: Budget reductions needed to assist in addressing the District's declining enrollment, the elimination of certain funds, the District's long term fiscal health, and District program needs.

LCAP Goal(s): Goals include Safe, Emotionally Healthy and Engaged Students, Family and Community Empowerment, and Operational Excellence.
