GUIDING PRINCIPLE

All students are given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options

A more coherent process for planning and monitoring to improve student outcomes!

The LCAP is a three-year plan that describes the **goals, actions, services, and expenditures** to support positive **student outcomes** that address state and local priorities. The LCAP provides an opportunity for local educational agencies (LEAs) to share their stories of how, what, and why programs and services are selected to meet their local needs.

The new LCAP template presents most of the projected expenditure data in a set of separate expenditure tables. A key shift in the new LCAP is the consolidation of all LCFF dollars into a single data point.

Total Personnel	Total Non-Personnel	LCFF Funds	Other State Funds	Local Funds	Federal Funds	Total Funds

SCUSD is committed to LCAP fiscal transparency and will incorporate an appendix that maintains a specific breakdown of funding by resource for each action. This will report LCFF base funding and LCFF Supplemental and Concentration Grant funding separately.
