Our Role and Purpose

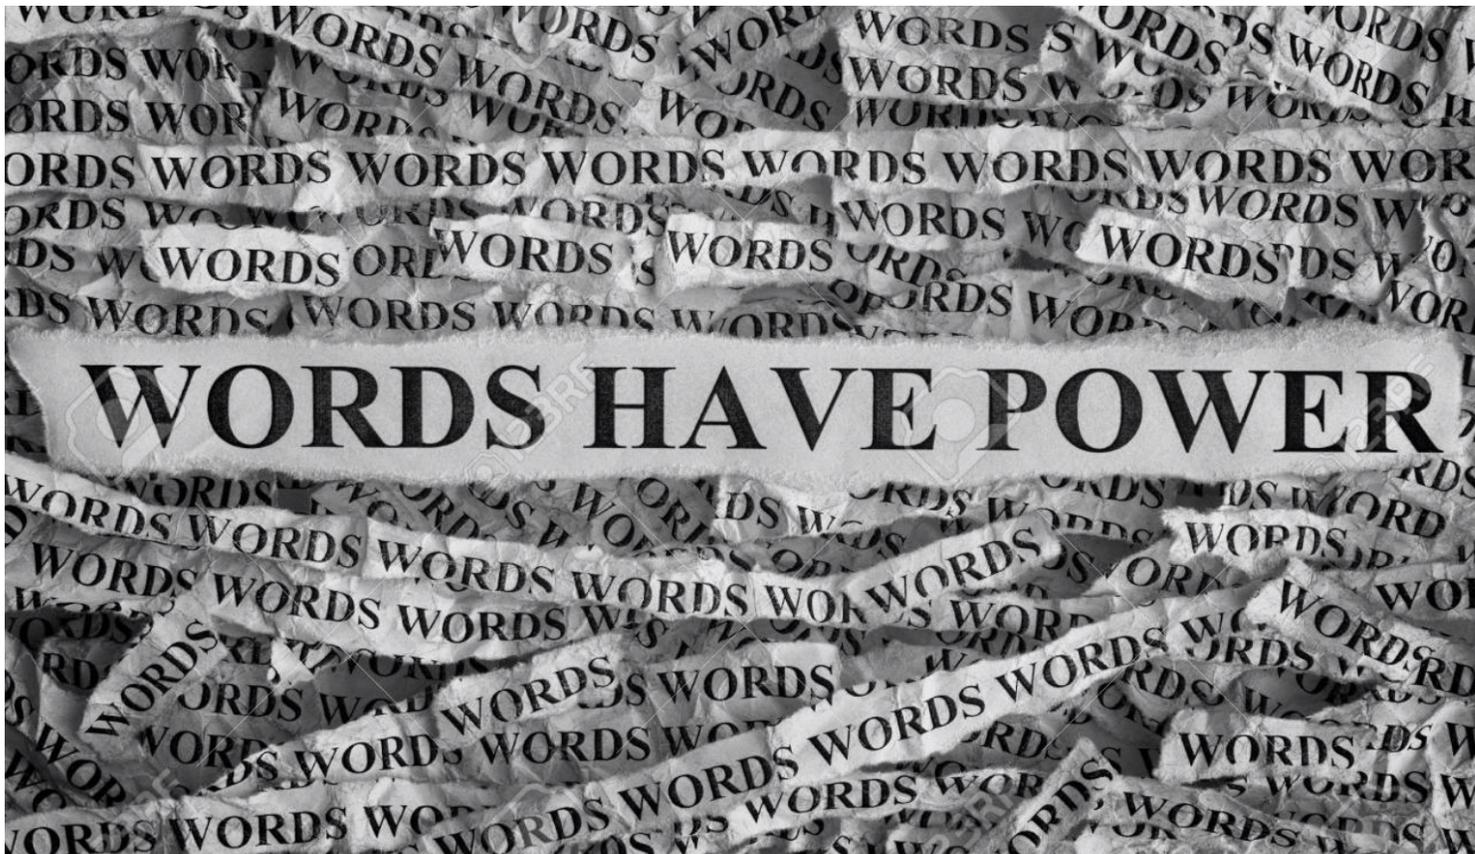

To **advise** the Board and Superintendent and relevant District Department designee(s) regarding accountability of ***services, programs, policies and resources*** that **directly impact** the district/school culture and climate of our classrooms and the **academic, social/emotional and personal outcomes** for B/AA students.

To **review, monitor, and evaluate** the district's **implementation** of the Board adopted B/AA Task Force recommendations as of May 16, 2019, and consider other possible strategic areas as appropriate.

Communication Norms

- **SPEAK** from our own perspectives; try to avoid generalizations – speaking or feeling for others.
- **RESPECT** the viewpoints of others
- **LISTEN** actively with the intent to understand rather than to respond
- **DISAGREE** respectfully; criticize ideas not individuals
- **ASK** clarifying questions, do not make assumptions

The removal of the opt-out option for the current anti-bias and anti-racist professional development

1. Why is there an opt-out option for the current anti-bias and anti-racist professional development as recommended by the African American Achievement Task Force and adopted by the Board, May 2019?
2. What will be done to remove the opt-out option?

Kit Carson Investigation

Questions from the B/AAAB General Body

Evidence of District-wide zero tolerance policy regarding racist rhetoric and hate speech

- What is the district's zero tolerance policy against racist rhetoric and hate speech? Please provide examples and the equivalent consequences when the policy is breached.

Professional Development

- It was noted that system leaders will facilitate the deep dive for the professional development. Who are these system leaders and why aren't we utilizing black community leaders? This can potentially build upon relationships between blacks/African Americans and the district.
