Informing Development of the LCAP 2021-22 to 2023-24

African American Advisory Board Meeting
December 2, 2020
Presented by: Steven Ramirez-Fong, LCAP/SPSA Coordinator
• Provide an overview of the Local Control and Accountability Plan (LCAP) purpose, context, and timeline

• Revisit prior ‘crosswalk’ of stakeholder input and connections to existing AAAB recommendations

• Build upon recent LCA Plan feedback to inform development of the 2021-22 to 2023-24 LCAP
A brief history of the LCFF (and LCAP) era:

- Implementation began in 2013-14:
  - Many categorical programs → Consolidated ‘bucket’
  - Revenue limits → Funding targets based on demographics

- Funding increased over time with the ultimate goal of reaching full funding in 2020-21.

- 2018-19 Budget Act enabled the state to bring all LEAs to their LCFF target levels.

1st LCAP Cycle: 2014-15 to 2016-17

2nd LCAP Cycle: 2017-18 to 2019-20

2020-21

3rd LCAP Cycle: 2021-22 to 2023-24
The state’s response to COVID-19 has included several changes to accountability:

What is in an LCAP?

Key components of an LCAP include:

• An overview of the district’s **context**, recent **successes** and identified **needs**
• A district’s **goals**
• The **actions/services** that the district will implement to achieve those goals (and their projected costs)
• The **metrics** that will be used to determine success and the **target outcomes** for each metric
• **Analysis** of outcomes and expenditures from the previous year
• Description of how the district is **increasing/improving services for unduplicated students**
  
• Description of how **stakeholder input** was solicited, summary of key input, and how it influenced the plan
Significant and purposeful engagement of parents, students, educators, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP. Stakeholder engagement is an ongoing, annual process.

(from California Department of Education (CDE) LCAP Template Instructions)
SCUSD’s existing LCAP Goals include:
1. Increase the percent of students who are on-track to graduate college and career ready
2. Students will be engaged with a safe, physically and emotionally healthy learning environment
3. Parents, families, and community stakeholders will become more fully engaged as partners in the education of students in SCUSD
4. Maximize the leadership, structure, and processes of the organization to execute our mission as effectively and efficiently as possible

Existing Input

Past input across stakeholder groups including the AAATF/AAAB, has reinforced key priorities. Examples of key input sources include:

• Stakeholder ‘Crosswalk’ (First compiled 2018-19 and updated in 2019-20)

• AAAB Standing Recommendations

• Input to Learning Continuity and Attendance Plan, including the integrated BPSB recommendations
Examples of key priorities across stakeholder groups:

- Program implementation, training of staff, and increased capacity to improve school culture and climate.
- Strategic, targeted engagement of parents/family
- Increased capacity and access to bilingual supports, translation, and interpretation
- Improved used of assessments to measure progress, evaluate program effectiveness, and allocate resources
- Increase training for all staff and increase supports for students with disabilities

Input to the Learning Continuity and Attendance Plan informed some revisions to the plan and has served as a bridge to the LCAP engagement process.

The input received and standing recommendations are already key sources of stakeholder input for the coming LCAP in the areas of:

- Identification, Assessment, Monitoring, and Provision of Research-based Tiered Intervention
- Professional Development, Curriculum, and Programmatic Experiences
- Culture and Climate: Disciplinary Practices
- Culture and Climate: Mental Health and Social and Emotional Well-Being
- Organizational Infrastructure
SCUSD’s existing LCAP Goals include:

1. Increase the percent of students who are on-track to graduate college and career ready
2. Students will be engaged with a safe, physically and emotionally healthy learning environment
3. Parents, families, and community stakeholders will become more fully engaged as partners in the education of students in SCUSD
4. Maximize the leadership, structure, and processes of the organization to execute our mission as effectively and efficiently as possible
Guiding Question:

How do we best support our students with the highest needs?

Key questions for Improvement Ideas:

• What will be improved?
• By how much will it be improved?
• When will the goal be reached?
• Who/what is the target group/structure/process?
As input is provided by the AAAB and other stakeholder groups, we are looking to align goals, actions, and metrics to find through lines that follow our guiding questions.

A potential example of alignment:

Appendix
We recognize that our system is inequitable by design and we vigilantly work to confront and interrupt inequities that exist to level the playing field and provide opportunities for everyone to learn, grow, and reach their greatness.
Equity, Access, and Social Justice Guiding Principle

All students are given an equal opportunity to graduate with the greatest number of postsecondary choices from the widest array of options.

2. Transparency
3. Sustainability
4. Collaboration
5. Alignment
Local Control and Accountability Plan (LCAP):

- A three-year plan that describes the goals, actions, services, and expenditures to support positive student outcomes.

Local Control Funding Formula (LCFF)
- The state’s method for funding school districts

LCFF Base Funding
- Base amount allocated per average daily attendance

Unduplicated Pupils
- English Learners, Socioeconomically Disadvantaged students, Homeless Youth, Foster Youth

LCFF Supplemental Grant Funding
- Additional funding based upon unduplicated pupil percentage

LCFF Concentration Grant Funding
- Additional funding based upon the percentage of unduplicated pupils exceeding 55% of district’s enrollment
Key changes to the LCAP template were approved in January 2020. These changes included:

- Guidance for setting different types of goals
- Summary tables for expenditures
- Focus on increased/improved services for unduplicated pupils, regardless of funding source
- Focus on three-year target outcomes with annual reporting of progress
- Merging of the Annual Update and Goals sections

Note: The state has not released the final 2021-22 LCAP template and additional changes may be made.
The new template provides guidance regarding three types of LCAP goals that districts should consider:

• **Focus Goal:** Concentrated in scope and may focus on a fewer number of metrics to measure improvement.

• **Broad Goal:** Less concentrated in its scope and may focus on improving performance across a wide range of metrics.

• **Maintenance of Progress Goal:** Includes actions that may be ongoing without significant changes and allows an LEA to track performance on any metrics not addressed in the other goals of the LCAP.
### Summary Tables

</tbody>
</table>

- This shifts the focus to which expenditures (regardless of funding source) contribute to increased or improved services for unduplicated pupils.
- The expenditure tables do NOT distinguish between LCFF Base and Supplemental & Concentration Grant Funds.

- The template requires districts to set target (desired) outcome for the final year of the three-year cycle. Actual outcomes for each of the three LCAP years will be reported annually.

- This differs from the previous LCAP template which required distinct targets to be established for each of the three LCAP years.
Recent changes to Education Code require that the LCAP instructions be revised by January 31, 2022 to include (for the 2022-23 LCAP):

• All LEAs eligible for Differentiated Assistance for the same student group(s) in the Dashboard for 3 or more consecutive years must include a goal in the LCAP that focuses on improving the performance of those student groups.

• If a district has 2 or more schools that have received the two lowest performance levels (red or orange) on all but one of the state indicators for 2 or more consecutive years AND the performance of All Students in the district is at least one performance level higher on all those indicators THEN the district must include a goal in the LCAP that addresses the disparities in performance between the school(s) and the district as a whole.
### 2020-21 Timeline

**Ongoing Processes:**
- Differentiated Assistance Process with Sacramento County Office of Education (SCOE)
